ALAMEDA COUNTY  
AUDITOR-CONTROLLER AGENCY  
PATRICK O'CONNELL  
AUDITOR-CONTROLLER/CLERK-RECORDER

October 1, 2013

Certification No. 02-90154

All American Rentals, Inc.  
8136 Enterprise Drive  
Newark, CA 94560

Attention: Mike Carter

Congratulations on the successful completion of your recertification application for Alameda County's Small, Local, Emerging Business (SLEB) Program!

You have been recertified as a SMALL business for the period of October 01, 2013 through September 30, 2015 for the following NAICS code(s): 423810, 444210, 532310, 532490, 532411 and 532412.

When permitted by law, the County's procurement policy is to solicit bids and proposals from certified SLEBs, and if none are available, then from local Alameda County firms. Other benefits of being a certified SLEB include:

1. All American Rentals, Inc. will be added as a certified vendor to Alameda County's Local Vendor Database.
2. SLEBs competing for County contracts over \$25,000 may be eligible to receive a 5% SLEB bid preference on qualified goods and services contracts and an additional 5% local preference (for a total 10% bid preference) when submitting sealed bids.
3. Non-SLEB certified firms are required to partner a minimum 20% with certified SLEBs for most goods and services contracts with the County.
4. As a certified SLEB you may receive e-mail information from the County about contracting opportunities and outreach/training events. You can register and select the type of messages you receive by visiting the County's main website at [www.acgov.org](http://www.acgov.org) and clicking on the envelope icon for eSubscribe.

Alameda County reserves the right to reevaluate your company at any time during the certification period to determine if your firm continues to meet the County of Alameda and U.S. Small Business Administration size standards and definitions.

You are required to report any changes in your business structure or ownership. You are also required to submit a current business license each year. If you are named as a SLEB prime or sub-contractor in an Alameda County contract, you must maintain your SLEB certification status as active during the term of the contract. County contract terms may also require that you utilize the County's online web-based contract compliance application, Elation Systems at [www.elationsys.com](http://www.elationsys.com). Failure to comply with the requirements stated in this letter could jeopardize your SLEB certification status and impact County contracting opportunities.

All American Rentals, Inc. will be notified 90 days prior to the expiration of this certification.

If you have any questions, please contact the Contract Compliance Certification office at 510-891-5500 or by e-mail at [ACSLEBcompliance@acgov.org](mailto:ACSLEBcompliance@acgov.org). Please refer to your certification number as it appears on this letter.

Thank you for your interest in the SLEB program and doing business with Alameda County!

Sincerely,

**Re: Port of Oakland Tracking/Certification #4385-14**

Dear Mike Carter:

I am pleased to notify you that the Port of Oakland has certified your firm as an **LBABE (Local Business Area Business Enterprise)** operating in the City of Newark. Please note that your certification expires on **08/31/2017**. You may renew your certification online **three (3)** months prior to the expiration date by logging into the Port of Oakland Certification Application at <http://www.portofoakland.com/srd/>. At any time you may also update your Company Profile and Contact Information as well as download your letter of certification on the online website.

If you have a change in business location you are required to notify our office immediately. Failure to do so may result in decertification.

Your company profile and business contact information will be included in the Port Certification Database. A wide range of businesses, such as community based organizations, variety of vendors and construction contractors are listed. The database also includes a listing of professional consulting services and a host of other important information to assist you with the outreach process including offering your business free advertisement. You may search the Business Database/Certification at <http://www.portofoakland.com/srd/> for a listing of certified businesses. Projects are listed on the Port's website at <http://portofoakland.com/opportunities/bidsrfsrfs.aspx>.

If you have any questions, please do not hesitate to contact Pamela Bell, Port Job Researcher at (510) 627-1419 or [pbell@portoakland.com](mailto:pbell@portoakland.com).

(Golden) to provide Storm Water Pollution Control Services for Caltrans Contract No. **07-290704** as required by the Caltrans general permit issued by the State Water Resources Control Board for Order No. 2012-0011-DWQ, NPDES No. CAS000003, National Pollutant Discharge Elimination System (NPDES) Permit, Statewide Storm Water Permit and Waste Discharge Requirements (WDRs) for the State of California, Department of Transportation (Caltrans).

Line Item	Description	Unit Cost	Qty	Total
1	Prepare a Water Pollution Control Program (WPCP), specific to the site and conforming to the State Storm Water NPDES Construction Permit for Caltrans	\$875	1	\$875
2	Job Site Management (Does not include BMP procurement, installation and maintenance) / Weekly Site Inspections (Quarterly Inspections included)	\$200	93	\$18,600
<b>GRAND TOTAL</b>				<b>\$19,475</b>

Assumptions:

- The project will require a Water Pollution Control Program as described by the SWRCB Order No. 2012-0011-DWQ.
- The project will last 465 working days, which will require 93 weekly inspections. Post Storm event inspections will be conducted as weekly inspections if required.

- Pre-storm and during storm inspections will be conducted at the same rate as the weekly inspections.
- Amendments will be prepared by the QSD on an hourly basis at a rate of \$125/hr.
- Quarterly Non-Storm Water Discharge inspections shall be done at the same time as a weekly inspection for no additional fee.
- Weekly training materials will be provided, but it is the contractor's responsibility to give out information at weekly tailgate meetings.
- If additional inspections are required due to the extension of the project schedule, they will be conducted at the above listed rates.

### Exclusions

Consulting services relating to any of the following tasks may be completed by Consultant if negotiated under a separate contract for an additional fee; but are presently specifically excluded from this Agreement:

- BMP implementation and BMP maintenance
- Hazardous wastes
- Construction Administration
- Environmental Studies
- Site Plan Preparation / Studies
- All other services not specifically set forth in the above scope of work

Thank you for your consideration. We have references upon request. Should you have any questions or concerns, please call me at 714.501.3558

Sincerely,

Isaac Segovia  
Vice President

Sherman Oak, CA 91403

**CHS Verification Order Number: 10090209**

Congratulations, the Supplier Clearinghouse is pleased to inform you that in accordance with General Order 156, your business enterprise has successfully completed the verification process, and your company has received the following certification:

**WMBE**

Your company will now be recognized by the Joint Utilities as a women and/or minority-owned business when competing for procurements by public utilities participating in the Utility Supplier Diversity Program.

Your Certification is valid for three years and you are required to re-verify your company's WMBE status at least 30 days prior to your expiration date. Please notify our office of any change in your address or contact information so that we can maintain your most current contact information. You must notify our office of any change in ownership and/or control of your company within 30 days of the change. Failure to provide that notification is in violation of section 8285 of the Public Utilities Code and could render your certification status invalid.

If your company was verified and certified under the CAV (Comparable Agency Verification) process, your certificate status will expire on the same expiration date as that of the comparable agency except for SBA 8a Certificates that are valid for a seven year period. However, please note that the maximum verified certification period for the Supplier Clearinghouse is three years regardless of *any* CAV expiration date in excess of three years.

The Supplier Clearinghouse may request additional information or conduct an on-site visit at any time during the term of your verified certification status. The Supplier Clearinghouse may reconsider your certification status and possibly rule invalid your verified status if it is determined that the status was knowingly obtained by false, misleading and/or incorrect information. Also note that if in a formal opinion, the California Public Utilities Commission determines that the WMBE verification criteria under which you were deemed eligible is no longer valid, then your status may change or you may be required to comply with the change to maintain eligibility.

Thank you for participating in the Utility Supplier Diversity program. We wish you much success in your business endeavors. Feel free to contact our office if you have questions, or visit our website at [www.thesupplierclearinghouse.com](http://www.thesupplierclearinghouse.com).

**The Supplier Clearinghouse**

**SUPPLIER CLEARINGHOUSE  
CERTIFICATE OF ELIGIBILITY**

CERTIFICATE EXPIRATION DATE: 03-13-2017

The Supplier Clearinghouse for the Utility Supplier Diversity Program of the California Public Utilities Commission hereby certifies that it has audited and verified the eligibility of:

***Morgner Technology Management , dba Morgner Construction Management  
of Sherman Oaks, California as a WMBE***

pursuant to Commission General Order 156, and the terms and conditions stipulated in the Verification Application Package. This Certificate shall be valid only with the Clearinghouse seal affixed hereto.

Eligibility must be maintained at all times, and renewed within 30 days of any changes in ownership or control. Failure to comply may result in a denial of eligibility. The Clearinghouse may reconsider certification if it is determined that such status was obtained by false, misleading or incorrect information. Decertification may occur if any verification criterion under which eligibility was awarded later becomes invalid due to Commission ruling. The Clearinghouse may request additional information or conduct on- site visits during the term of verification to verify eligibility.

This certification is valid only for the period that the above named firm remains eligible as determined by the Clearinghouse. Utility companies may direct inquiries concerning this Certificate to the Clearinghouse at 800-359-7998 in Los Angeles.

Hi Roshawn,

I confirmed with Dave that all you need is your C51 License. I checked and you guys are also registered with the DIR. So you are good to bid this project.

Let me know if you have any other questions.

Thank you!
