SECTION I - TERMS AND CONDITIONS

1. **Terms of Sale:** Payment Terms - Subject to on-going credit approval: Net 30 days from date of invoice. Interest will be charged on all past due balances per the maximum rate allowed by law. Legal fees and costs will be paid as awarded to the prevailing party in the event of legal dispute. Seller reserves the right to stop Work or demand security as required. Buyer agrees to pay Seller in accordance with the escalation policy as specifically identified in this proposal. "Work" is hereby defined as the performance of all work as listed above and included in any accepted Agreement, plus any changes, acceleration/out of sequence work, damages, escalation and costs incurred for the cause or benefit of Buyer or others. Seller shall be paid in full for all work performed and/or any retention held no later than 30 days after completion of Seller's scope of work.

2. **Acceptance:** Prices of individual bid items are subject to renegotiation if Buyer elects not to accept this complete proposal as presented. If seller is requested to proceed with the work prior to the execution of mutually agreed Contract, or if the work is completed prior thereto, the Terms and Conditions herein shall govern pending said Agreement. No assignment of this proposal shall be made without our prior written consent. We reserve the right to sublet portions of our Work. In the event that working days exceed those stated in job specifications at time of bidding, Seller reserves the right to re-negotiate the contract to reflect any changes in labor and material.

3. **Schedule:** Seller's price is based upon detailing, fabrication and placing on a normal 5-day, Monday to Friday, 40 Hour work week, daylight hours unless explicitly noted on the face hereof. Performance will be based on bid documents as provided for tender and industry standards/CRSI. Schedule and schedule changes to be mutually agreed. Buyer to provide Seller (48) hours notice of cancellation of schedule deliveries and 5 working days notice for modifications or unscheduled deliveries. Buyer agrees to provide adequate notice for workmen required at the jobsite and sufficient work for at least one full shift. Detailing submittals will be sequenced in a manner appropriate to the construction schedule. Working schedules to be made by mutual agreement of the Contractor and Subcontractor to conform to Contractor's master schedule. In event duration times are provided by Subcontractor, it is agreed that time starts only when work areas are provided ready to receive installation in all respects, in accordance with OSHA and State safety regulations.

4. **Back Charges/Shipping Discrepancies:** No Changes for labor or materials furnished by the Buyer shall be allowed as credit unless authorized in writing by Seller within (10) days of said occurrence. After (24) hours period, all loads will be assumed to be verified.

5. **Safety:** Buyer will provide at no cost to Seller, general jobsite conditions conforming to OSHA standards and local governing authorities, including, but not limited to, adequate protection to ensure the safety of those working above reinforced steel as required, furnishing and installation of rebar safety caps or other OSHA compliant impalement hazard protection as required; Detection of protection from underground and other utilities; Safe access, signage and other required warnings, flagging, barriers/barricades, general site and task lighting as required. Shoring, fall-protection anchorage points, walkways, approved scaffolding and staging in place as required, trenches, rails, snow and ice removal, all weather truck access; safe access to points of storage and work, etc. all required.

6. **Insurance:** General Liability insurance will be provided solely for work performed by Seller and/or it's engaged parties. Seller is not providing insurance for any liabilities that exceed $2,000,000.00 per incident or Seller's responsibilities and/or liabilities. Additional Insured Endorsements may limit liabilities to those assumed under the Agreement and exclude Professional Liabilities. XCU, subsidence, Professional Liability, Aircraft, Pollution Liability and mold coverage are excluded as not applicable to this trade. A broad coverage manuscript policy is provided in lieu of ISO descriptions and forms. Additional coverage or alternate requirements not set forth herein and mutually agreed are subject to availability and any additional costs. Self-insured limits must be accepted as provided on any related security substitution requirements waived. Seller excludes: Builders Risk Insurance and return receipt requested notices for all certificates of insurance. Compliance requirements for any hired sub-subcontractors are subject to availability.

SECTION II - CONDITIONS OF SALE EXCLUDED:

timeframe or pricing will be negotiated. Pricing is based on a package deal any changes in quantities or items listed may affect pricing. Pricing is for a standard basket advise if skewed or tapered baskets are required and a bid will be prepared accordingly. Billable Feet = calculated Lane Width, not actual length of basket. Basket Lane width calculation is: number of dowels multiplied by on center spacing divided by 12 to express as lineal feet. All orders are subject to the availability of raw materials. Pricing is based on materials being released for immediate production and or prior to expiration date noted above. If materials are released for production after expiration date, raw material escalators that occur from bid date to production release date may be passed along at cost if applicable. A steel raw material prepay option is available to protect pricing and control cost. Materials released for production will be invoiced upon completion and are to be paid for within standard terms or late fees will apply. In the event the job is unable to take possession at time of completion a storage option is available as space permits. If materials are stored beyond 30 days UV Protection is mandatory. Disposable UV Protection Coverings will be required at a cost of $25.00 each which will provide coverage for up to 4 pallets of dowels or each pallet of 60 baskets. Freight charges are based on full truck load moves. If less than full

Standard Terms & Conditions

1) **Validity of Quote:** This estimate is valid for 30 (Days) from the date of this price quotation. These rates have been established specifically for this project and do not apply to other projects. Rates are subject to increase/decrease after the allotted time expires.
2) **Trucks:** Contractor will decide which type of equipment is to be utilized for this project unless otherwise quoted by Miranda logistics Enterprise LLC. Miranda Logistics Enterprise LLC cannot guarantee trucks at set rate and will not be liable for any back charges incurred throughout the duration of project.
3) **Demurrage:** For materials transported on a per load or tonnage rate – all trucks are allowed 15 minutes on-site loading. Any time in excess of 15 minutes on-site, due to circumstances not under control of Miranda Logistics Enterprise LLC, contractor shall be invoiced at the applicable hourly rate, per hourly rate sheet included in estimate. All trucks are allowed 10 minute off site loading, any time in excess of 10 minutes off site loading, due to circumstances not under direct control of MLE LLC, contractor shall be invoiced (standby time) at the applicable hourly rate, per hourly rate sheet included in estimate.
4) **Hourly Rates:** Are subject to change due to economic factors such as a fuel surcharge, C-ARB Regulations, or other political impacts to the costs associated with operation of equipment. Such changes shall be submitted via change-order outlining increases in direct costs.
5) **Canceled Trucks:** if trucks arrive on site and are canceled due to shortage of material, inoperable loading equipment or other circumstances (including short shifts) not under the direct control of Miranda Logistics Enterprise LLC, contractor will be billed a 5-hour minimum per truck at the applicable rate.
6) **Loading:** It is the responsibility of the contractor/generator to provide all loading. All costs associated with improper loading (i.e., damage to trucks, overweight trucks, etc.) are responsibility of contractor.
7) **Material Generation Rate:** It is the responsibility of the contractor to properly estimate the amount of loads and/or rate of generation prior to trucks arriving on site.
8) **Disposal / Analytical:** it is the responsibility of the contractor to provide all necessary analytical required for waste classification and disposal purposes. (i.e., TTLC, MSDS, STLC, TCLP, Geotechnical, etc.) if no analytical is provided, disposal rates can be subject to increase/decrease contingent on waste classification.
9) **Non Conforming Waste:** Any and all costs associated with non-conforming export (i.e,. asbestos and RCRA Levels of Waste, etc.) are the responsibility of the contractor.
10) **Indemnity:** Upon award of contract, Miranda logistics Enterprise LLC will indemnify contractor and contractor's client. Additionally, Miranda Logistics Enterprise LLC will insure that both contractor and Contractor's Client are listed on the insurance policy as additionally insured.
11) **Indemnification:** Customer agrees to indemnify, save and hold harmless, Miranda Logistics Enterprise LLC, its affiliated companies, and their officers and employees against all losses, liabilities, damages, injuries, claims, and demands, in connection with trucking, materials and disposal services which is the subject of the agreement.
12) **Payment Terms:** Payment for transport shall be due **NET 15** upon net receipt. ALL materials purchased and or disposed are **NET 15** from date of invoice. If payment terms are not met, we reserve the right to cancel all services. All invoices not paid within 30 days are subject to a **2%** finance fee per month.
13) **Relevant law:** This quotation/agreement shall be governed and performed in accordance with the laws of the State of California. All disputes will be tried in Los Angeles County, California.
14) **Non Compete Agreement:** Client agrees to not approach, solicit or negotiate rates directly with any owner operator, receiving facility, recycling facility, and/or disposal facility where the availability of such services first became known to the client as a result of Miranda Logistics Enterprise LLC efforts. If client breaches this agreement and back approaches, solicits or negotiates rates with any of the above-mentioned entities, Miranda Logistics Enterprise LLC is entitles for a period of 15 months after the commencement of the project, to a commission from the client of **20%** of the revenue received from the project.
15) **Attorney's Fee's and Costs:** Customer shall pay to Miranda Logistics Enterprise LLC all costs and expenses, without limitation, reasonable attorney's fees incurred by Miranda logistics Enterprise LLC in enforcing any of the covenants and provisions of this agreement or incurred in any action brought by Miranda Logistics Enterprise LLC against customer under this agreement.

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description	Size Standard
488510	Freight Transportation Arrangement	$14.0 million
484110	General Freight Trucking, Local	$22.41 million
484220	Specialized Freight Trucking, Local	$22.41 million
562111	Solid Waste Collection	$12.5 million
562112	Hazardous Waste Collection	$12.5 million

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you) with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. I wish you every business success and should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

Re: Small Business Enterprise Certification

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under the Metro SBE Program. Your firm will be listed in the Metro SBE database of certified SBEs under the following specific areas of expertise:

NAICS (2007)	Description	Size Standard
488510	Freight Transportation Arrangement	$14.0 million
484110	General Freight Trucking, Local	$22.41 million
484220	Specialized Freight Trucking, Local	$22.41 million
562111	Solid Waste Collection	$12.5 million
562112	Hazardous Waste Collection	$12.5 million

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Should any changes occur that could affect your certification status, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. SBE certification is subject to review at any time.

Metro reserves the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading, or incorrect information. Metro also reserves the right to request additional information and/or conduct on-site visits at any time during the certification period. The firm thereby consents to the examination of its books, records, and documents by the Metro.

Congratulations, and thank you for your interest in Metro's SBE Program. I wish you every business success and should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

PROPOSAL FOR: ***BID ITEM***
Item, LEAD COMPLIANCE PLAN **$1,275.00**

Dear Estimator:

Adanta is pleased to present this bid to provide environmental services for the above referenced project. The Lead Compliance Plan will be prepared in accordance with Caltrans' Notice to Bidders and Special Provisions for this project. The LCP will address these concerns to protect workers and ensure proper handling of lead-containing materials, and will contain the elements listed in Title 8, California Code of Regulations, Section 1532.1(e)(2)(B). The LCP will be prepared, signed and stamped by an Industrial Hygienist certified in Comprehensive Practice by the American Board of Industrial Hygiene. Quotes for air monitoring and lead awareness training upon request.
If you have any questions, please feel free to contact us at (707) 709-8894.

SUPPLIER CLEARINGHOUSE
CERTIFICATE OF ELIGIBILITY

CERTIFICATE EXPIRATION DATE: **12-31-2015**

The Supplier Clearinghouse for the Utility Supplier Diversity Program of the California Public Utilities Commission hereby certifies that it has audited and verified the eligibility of:

KRC Safety Co., Inc.
of Visalia, California as a MBE

pursuant to Commission General Order 156, and the terms and conditions stipulated in the Verification Application Package. This Certificate shall be valid only with the Clearinghouse seal affixed hereto.

Eligibility must be maintained at all times, and renewed within 30 days of any changes in ownership or control. Failure to comply may result in a denial of eligibility. The Clearinghouse may reconsider certification if it is determined that such status was obtained by false, misleading or incorrect information. Decertification may occur if any verification criterion under which eligibility was awarded later becomes invalid due to Commission ruling. The Clearinghouse may request additional information or conduct on- site visits during the term of verification to verify eligibility.

This certification is valid only for the period that the above named firm remains eligible as determined by the Clearinghouse. Utility companies may direct inquiries concerning this Certificate to the Clearinghouse at 800-359-7998 in Los Angeles.

Calif. State Senator Pushes for Criminal Probe Into Bay Bridge Construction

California Sen. Mark DeSaulnier , D- Concord , said Tuesday that he would deliver findings from his investigation of Bay Bridge construction issues to state Attorney General Kamala Harris to request a criminal investigation of actions by the California Department of Transportation and some of its contractors.

His comments came prior to a Senate hearing Tuesday where witnesses said that Caltrans managers directed inspectors to ignore serious welding issues in China for key sections of the San Francisco-Oakland Bay Bridge , leaving doubts about its long-term durability.

The hearing followed a Senate report released last week that said Caltrans "gagged and banished" several quality managers on the new $6.5 billion structure after they tried to correct substandard work by Shanghai Zhenhua Heavy Industry Co. Ltd. , or ZPMC, the Chinese firm that built much of the suspension span roadway and tower.

Keith Devonport , a contract fabrication manager in Shanghai , said bridge managers, including Peter Siegenthaler , the top manager in China for most of the job, approved production over the objections of other top managers who believed weld cracks were being overlooked. He said Caltrans managers also blocked a specialized use of high-frequency sound waves that found "transverse" cracks -- ones that run across welds -- missed by other test methods.

Devonport, who testified via Skype from his home in England , said the bridge project's chief executive, Tony Anziano , showed "willful blindness" about the problems. Anziano removed him from the job for his complaints about quality, Devonport said. His comments echoed the report by an investigator for the Senate Transportation and Housing Committee , which said that Anziano quashed dissent on the project.

DeSaulnier, who chairs the committee, noted that the Bay Area Toll Authority has reserved substantial funds for possible retrofits, yet Caltrans has acted as if "nothing happened."

"Somebody should be held accountable," for problems on the new span, DeSaulnier said. He attributed them partly to what a team of experts called "a culture of fear" at the department.

Also in remarks prior to the hearing, Caltrans Director Malcolm Dougherty said his agency was confident in the quality and safety of the new span, but would keep a close eye on certain issues raised in recent reports, including the welds of the suspension span roadway. The Sacramento Bee reported in June that Caltrans allowed weld cracks despite their prohibition by the bridge code.

Asked if Caltrans had a credibility problem, Dougherty said, "I think I've got to regain the trust of the senator and then the public."
