Re: Contract No. 07-2W8804

Dear Mr. McMillan

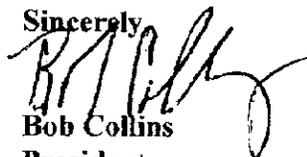

In response to Autobahn's protest, Jabre Contracting is subcontracting out \$321,907 and has a markup of 36.5% which includes our labor, overhead and profit.

We are using E-Nor as our DVBE for our flagging operations utilizing eight of their employees and not using a material supplier for our DVBE goal.

We are using the same sub Cal-Stripe as Autobahn and in talking to Cal-Stripe who in not protesting is fine with the outcome.

It is for these reasons Jabre Contracting should be awarded the job, and dismiss the nonresponsive bidder Autobahn and their protest.

Sincerely,

**Bob Collins
President**
