RE: Disadvantaged Business Enterprise Certification

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
488510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you) with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. I wish you every business success and should you have any questions, please contact us at [213-922-2600](tel:213-922-2600). For information on Metro contracting opportunities, please visit our website at www.metro.net.

Your firm will be listed in the Metro SBE database of certified SBEs under the following specific areas of expertise:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>

484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Should any changes occur that could affect your certification status, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. SBE certification is subject to review at any time.

Metro also reserves the right to request additional information and/or conduct on-site visits at any time during the certification period. The firm thereby consents to the examination of its books, records, and documents by the Metro.

Congratulations, and thank you for your interest in Metro's SBE Program. I wish you every business success and should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
488510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you) with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. I wish you every business success and should you have any questions, please contact us at [213-922-2600](tel:213-922-2600). For information on Metro contracting opportunities, please visit our website at www.metro.net.

Re: Small Business Enterprise Certification

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under the Metro SBE Program. Your firm will be listed in the Metro SBE database of certified SBEs under the following specific areas of expertise:

<u>NAICS (2007)</u>	<u>Description</u>	<u>Size Standard</u>
488510	Freight Transportation Arrangement	\$14.0 million
484110	General Freight Trucking, Local	\$22.41 million
484220	Specialized Freight Trucking, Local	\$22.41 million
562111	Solid Waste Collection	\$12.5 million
562112	Hazardous Waste Collection	\$12.5 million

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Should any changes occur that could affect your certification status, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. SBE certification is subject to review at any time.

Metro reserves the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading, or incorrect information. Metro also reserves the right to request additional information and/or conduct on-site visits at any time during the certification period. The firm thereby consents to the examination of its books, records, and documents by the Metro.

When color additives or any other additives or add agents are added to ready-mix concrete ("Additives"), they may be at the request and instructions of Purchaser. In such event, Seller's warranty is limited to Purchaser's recovery under the Additive manufacturer's warranty and Seller does not warrant or guarantee the results or effects of Additives on the ready-mix concrete product to which they are added.

7. **DELIVERY:** Where delivery off of Seller's facility is Seller's responsibility, Seller or its contract hauler will enter upon the delivery location only as a convenience to Purchaser and Purchaser specifically waives and agrees to defend, indemnify and hold Seller harmless from and against any claim or liability or action against Seller because of damage caused thereby including, but not limited to, damage to concrete surfaces, pipelines or underground structures or utilities. Purchaser agrees to provide clear, substantial and suitable access to the point of delivery.

8. **INSPECTIONS AND ALTERATIONS:** It shall be Purchaser's responsibility to make, or cause to be made, and pay for such inspections and tests as may be required at Seller's facility or the F.O.B. location to assure the Material meets any requirements of Purchaser other than that specified in this MQ.

9. **FORCE MAJEURE:** Seller shall not be liable for failure to perform or delay in delivery by reason of any contingency or occurrence reasonably beyond Seller's control which shall be defined to include, but not be limited to, actual or threatened strikes, labor disputes, boycotts, work stoppages, or work slowdowns or fire, flood, inclement weather, embargos, war, governmental authority, or regulations, including allocations, preferences, and priorities established by or for the government, or shortage or failure of raw material or transportation which makes performance by Seller under any MQ more costly. If such delay continues for a period of more than sixty (60) days, Purchaser shall have the right, upon seven (7) days written notice to Seller, to terminate this MQ.

10. **INTEGRATED AGREEMENT:** This MQ sets forth the entire agreement between Seller and Purchaser with respect to its subject matters. All prior and contemporaneous conversations, practices between the parties, quotes, offers, negotiations, representations, promises and warranties with respect to said subject matters are waived, merged herein and superseded thereby. This is a fully integrated agreement.

11. **WARRANTY/REMEDIES:** SELLER WARRANTS THAT THE MATERIAL WILL, AT THE POINT AND TIME OF DELIVERY, CONFORM TO THE SPECIFICATIONS SET FORTH IN SECTION 3 HEREIN. PURCHASER SHALL INDEMNIFY, DEFEND, AND HOLD HARMLESS SELLER AGAINST ANY AND ALL CLAIMS, SUITS, ACTIONS, LEGAL PROCEEDINGS, DAMAGES, LIABILITIES, INTEREST, ACTUAL ATTORNEY'S FEES, COSTS AND EXPENSES OF WHATEVER KIND OR NATURE AS A RESULT OF PURCHASER'S BLENDING OR USE OF THE MATERIAL IN A MANNER THAT IS INCONSISTENT WITH THE SPECIFICATIONS SET FORTH HEREIN. USE OF SELLER PRODUCTS INCONSISTENT WITH THE SPECIFICATIONS SET FORTH HEREIN DOES NOT, REGARDLESS OF SELLER'S KNOWLEDGE, CONSTITUTE A WARRANTY OBLIGATION FOR THE USE OF THE MATERIALS INCONSISTENT WITH THOSE SPECIFICATIONS. NO OTHER WARRANTIES OF ANY KIND ARE MADE BY SELLER AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES TO THE FULLEST EXTENT PERMITTED BYLAW, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE. Purchaser's exclusive remedies for breach of this express warranty with respect to any non conforming Material shall be limited solely, at the option of Seller, to (i) replacement of the non-conforming Material to the F.O.B. delivery point or (ii) the cost to replace the non-conforming Material to the F.O.B. delivery point. Seller shall be given a reasonable opportunity to investigate and cure any non-conformance. Seller's breach of warranty obligation shall not extend beyond the last to occur of: One (1) year following substantial completion of the Project for which the MQ applies or one (1) year from the last delivery of Material under this MQ. Seller's liability for any other breach of this MQ shall be limited to the difference between the delivered price of the Material covered hereby and the market price of such Material at the F.O.B. point specified above. In no event shall Seller be liable for loss of profit, delay or any incidental or consequential damages.

12. **EXCLUSIVE TERMS AND CONDITIONS; MODIFICATION:** No terms and conditions other than those stated herein and no agreement or understanding in any way purporting to modify these terms and conditions shall be binding on Seller unless made in writing and signed by Seller. Seller hereby objects to and rejects any and all additional or different terms proposed by Purchaser, whether verbal, contained in Purchaser's purchase order or shipping release forms.
