Dear Mr. Fard:

The Department of Transportation (Caltrans) received a bid submitted by United Engineering & Construction, Inc. (United Engineering) for Contract No. 07-3X8204 on October 16, 2014. By this letter, Caltrans notifies United Engineering that its bid is nonresponsive since United Engineering did not comply with Contract Revised Standard Specifications, Section 2-1.33, which states in part:

If the DBE commitment form is not submitted with the bid, the apparent low bidder, the 2nd low bidder, and the 3rd low bidder must complete and submit the form to the Office Engineer. The DBE commitment form must be received by the Office Engineer no later than 4:00 p.m., on the 4th business day after bid opening.

United Engineering failed to submit the DBE commitment form and written confirmation by 4:00 p.m. on the 4th business day after bid opening.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Molly Yumikura, Contract Awards Analyst, at (916) 227-6296.

Sincerely,
