Dear Mr. Chase:

The Department of Transportation (Caltrans) received a bid from Peterson-Chase General Engineering Construction, Inc. (Peterson-Chase) for Contract 07-4T7404 on April 8, 2015. By this letter, Caltrans notifies Peterson-Chase that its bid is nonresponsive because Peterson-Chase did not comply with the Contract Revised Standard Specifications, Section 2-1.10, Subcontractor List, which states in part:

*"On the Subcontractor List form, list each subcontractor to perform work in an amount in excess of 1/2 of 1 percent of the total bid or \$10,000, whichever is greater (Pub Cont Code § 4100 et seq.)."*

Peterson-Chase listed LA Steel Services (LA Steel) on its DBE Commitment form to perform work described as Bid Item 26, Concrete Barrier (Type 736B). The DBE Commitment form expressly states that the "Names of First Tier DBE subcontractors and items of work must be consistent with the Subcontractor List." Peterson-Chase failed to list LA Steel on the Subcontractor List form.

Based on the above findings, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".
