Project: Contract No. 08-0K5204

Dear Mr. McMillan,

This is in reference to J. Coffman's letter dated September 17, 2013 regarding the DVBE requirements:

- 1) Future DB International Inc. complied with the minimum DVBE requirements per specifications Sec. 2-1.15B.
- 2) Rialto Concrete Products (RCP) who will be supplying the precast culvert elements will be certified by CALTRANS at the time of awarding the contract, if not, Future DB International Inc. will use Pro-Cast Products Inc. who is an approved CALTRANS fabricator. Rialto Concrete Products is a fabricator/supplier and can be replaced.

CALTRANS can waive any bid irregularity. Future DB International's bid is lower than Coffman Specialties bid.

Thank you.

Sincerely yours,
