Dear Mr. Aljazzar:

The Department of Transportation (Caltrans) received the attached letter from Future DB International, Inc. (Future) on October 9, 2013, in response to the Office of Business and Economic Opportunity, Contract Evaluation Unit's (CEU) determination that Future did not meet the 3 percent Disabled Veteran Business Enterprise (DVBE) goal on the contract.

Caltrans reviewed the bid documents as well as CEU's determination and upholds the original finding that Future did not meet the stated 3 percent DVBE goal and is no longer eligible for award of the contract.

As such, Caltrans will proceed to award this contract to the lowest responsive and responsible bidder provided that all requirements have been met.

If you have any questions please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

Dear Mr. McMillan,

Future DB International Inc. protests the California Department of Transportation's decision to consider our bid to be nonresponsive as a result of the reduction of our DVBE submitted without our consent.

We request a Board Hearing in accordance with the Public Contract Code at your earliest.

We appreciate your assistance with this matter.

Thank you,
Future DB International Inc.
