Dear Mr. Aljazzar:

The Department of Transportation (Caltrans) received the attached Certified Disabled Veteran Business Enterprise (DVBE) Summary form on September 5, 2013, for Contract No. 08-0K5204 from Future DB International, Inc. (Future). Caltrans established a DVBE goal of 3 percent for this project. Future initially claimed a DVBE Commitment of 3.10 percent of the total bid amount.

Future listed (for credit toward the DVBE goal) North Valley Barricade, Inc. (North Valley) to perform work described as Supply Traffic Control System (Bid Item 3).

The Office of Business and Economic Opportunity, Contract Evaluation Unit (CEU) conducted a review of the Certified DVBE Summary form and determined that North Valley provided a quote for the work described above which included Bid Item 6 (Channelizer Surface Mount) for a total amount of \$57,715.20. Since North Valley listed Bid Item 3 only, Bid Item 6 is disallowed and the dollar amount listed for this item cannot be counted towards the DVBE contract goal. Therefore, the claimed participation has been reduced by \$4,140.00. After the adjustment the total amount to be claimed towards the DVBE goal is \$53,244.00 or 2.86 percent.

Based on the above determination Future is no longer eligible for award of this contract.
