RE: Disabled Veterans Business Enterprise (DVBE) number 1519120

Dear Mr. Weisse:

This letter is regarding the review conducted by the Department of Transportation (Caltrans) Contract Evaluation Unit (CEU) staff on March 20, 2012. Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when acquiring the following types of products on Caltrans projects:

Classification Number	Description
401421	Pipe
301515	Roofing Materials
301520	Fencing
261215	Electrical Wire
391115	General Lighting Fixtures

**Keywords: Roofing, Wire, Electrical, Pipe, Fencing**

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the aforementioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For the remaining services listed on your DVBE certification, no documentation or evidence has been provided to demonstrate that you perform, manage or supervise the work involved.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Caltrans CEU is available to re-visit your firm to determine if work classifications and updated information reflect actual practices.

If you have questions or need further assistance or clarification, please contact Larry Williams Analyst, CEU at (916) 327-9784, or by email at [larry\\_williams@dot.ca.gov](mailto:larry_williams@dot.ca.gov).

Sincerely,

JANICE SALAIS  
 Manager
