RE: Contract No. 08-0M8804
Bid Date: January 17, 2013

Dear Mr. McMillan:

We are hereby protesting Traffic Development Services DBE Commitment and have attached a copy of their DBE and the supplier in question.

Also attached is a copy of the McCain electrical supply quote. Sam's Equipment and Supplies has always quoted inlet protection, fiber rolls, etc. They are not an electrical supply house. It is obvious that this quote to TDS is a pass through in order to obtain the 12% DBE that is required. Therefore, we are asking that the DBE goal be rejected and recalculated using the Traffic Loops & Crackfilling of 4.28%, which does not be the 12% goal.

If you have any questions, please do not hesitate to contact me.

Sincerely,

John Korb
Treasurer
