Dear Mr. Torres:

The Department of Transportation (Caltrans) received the attached Certified Disabled Veteran Business Enterprise (DVBE) Summary form on June 14, 2013, for Contract No. 08-OR1804 from JFL Electric, Inc. (JFL Electric). Caltrans established a DVBE goal of 5 percent for this project. JFL Electric claimed a DVBE commitment of 5 percent.

JFL Electric listed (for credit toward the DVBE goal) Global Environmental Network, Inc. (GENI) to prepare the Lead Compliance Plan, Water Pollution Control Program and Job Site Management for this contract for a total amount of \$3,300. The Office of Business and Economic Opportunity, Contract Evaluation Unit (CEU) staff was unsuccessful in obtaining clarification on GENI's participation. JFL Electric only provided rate sheets for GENI's participation, which did not include the specifics of the amounts nor bid items.

Based on the above, CEU was unable to determine whether or not the stated DVBE participation goal for this contract was met. Unfortunately, JFL Electric is no longer eligible for award of this contract.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
