RE: Caltrans 08-1E1004 – Bid Protest

Dear Sir/Madam,

Spectrum Construction Group, Inc. ("SCGI") has reviewed the Bid Proposals and DBE Submittals submitted by the two low bidders for Contract 08-1E1004. SCGI, the third low bidder, hereby protests the award of the above mentioned project to Beador Construction Company Inc. ("Beador") and Vance Corporation ("Vance"), the apparent low bidder and second low bidder, respectively,

We are protesting award to Beador due to their failure to achieve the Disadvantaged Business Enterprise goal, and lack of any Good Faith Effort documentation:

**Failure to Meet 10% Goal & Lack of Good Faith Efforts Submittal**

As can be seen in Attachment A, "Beador DBE Submittal", Beador's DBE Commitment Form, Page 2 of 2, lists LMS Transport ("LMS") for "Oil Supply" for \$36,895.24. However, this is supplied material and per "Caltrans DBE, DVBE, SB, GFE Guidelines" and Standard Specification Section 2-1.12B(1) General, "60 percent if the materials or supplies are obtained from a DBE". LMS is not a DBE manufacturer and would not entitle Beador to claim 100% of the oil supply material. Hence, the amount that would count towards the DBE goal on this project would only be \$22,137.14; reducing the total claimed participation to \$73,329.41 or 8.51%. The correct claimed participation does not meet the DBE goal set by Caltrans and since Beador did not submit any Good Faith Effort documentation, their bid is thereby non-responsive.

We are protesting award to Vance due to a non-responsive DBE Submittal:

**Failure to Submit a Responsive DBE Submittal**

Vance submitted a DBE Submittal, Attachment B, containing the necessary DBE Commitment Form and subcontractor/supplier quotations; however, **the DBE Commitment is not signed**. This form is not signed by an officer or any representative from Vance. Since the form bears no signature, Vance cannot

claim that their company "acknowledges that it is committed to use the DBEs shown on this form to meet the contract goal (49 CFR 26.53).

Code of Federal Regulation Title 49, Section 26.53 states that the bidder must make a "contractually binding commitment to meet the goal" and this unsigned form is neither contractual or binding.

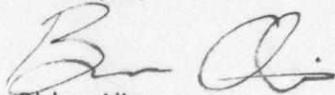

Vance is no longer able to submit a signed copy of this form due to the time elapsing to do so since the deadline to submit a DBE Submittal was Monday July 25<sup>th</sup>, 2016 by 4:00 PM.

**Summary**

SCGI submitted a DBE Submittal exceeding the goal and has made a "contractual and binding commitment to meet the goal". We request that you find the DBE Submittals for both Beador and Vance and subsequently their bids to be non-responsive and ineligible for award.

We hereby request that you award Contract 08-1E1004 to Spectrum Construction Group, Inc., the lowest responsive bidder.

Thank you,

Bisher Aljazzar

President
