Dear Business Person:

Congratulations on your Disabled Veteran Business Enterprise (DVBE) certification with the State of California. Your business is now entitled to compete in the State's goal to spend three percent of its annual contracting dollars with DVBE businesses. For more information or to verify certification status, visit [www.eprocure.dgs.ca.gov](http://www.eprocure.dgs.ca.gov)

**Certification Period**  
From May 9, 2012 to Apr 30, 2016

**Business Types**  
Construction  
Service

**Conflict of Interest for Current and Former State Employees**  
Prior to contract award, agencies will assure the vendor is in compliance with Public Contract Code, Section 10410 et seq. addressing conflict of interest for State employees or former employees.

**Annual Submission Requirement**  
Submit copies of the ENTIRE federal tax return to the Office of Small Business and DVBE Services (OSDS). In addition to the business tax returns, each partner of a partnership business must also submit individual federal tax returns. Businesses that rent equipment to the State must submit individual federal tax returns for each disabled veteran owner within 90 days of the individual's tax return filing due date. If you have been granted a tax filing extension with the Internal Revenue Service, submit a copy of the extension form and annual financial statements; then, submit a copy of the tax return once filed.
