GOOD FAITH EFFORTS DOCUMENTATION - DBE
 DES-OE-0102.11A (NEW 06/2012)

1. List items of work the bidder made available to DBE firms. Identify those items of work the Bidder might otherwise perform with its own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

Item of Work Offered	Bidder Normally Performs Item (Y/N)	Item broken down to Facilitate Participation (Y/N)	Amount (\$)	Percentage of Contract
----------------------	-------------------------------------	--	-------------	------------------------

PLEASE SEE ATTACHED SOLICITATIONS FOR THIS PROJECT. ALL ITEMS OF WORK WERE MADE AVAILABLE TO DBEs. THE ITEMS LISTED BELOW ARE THE BID PACKAGES WE ESTABLISHED FOR THE PROJECT

STATE OF CALIFORNIA – DEPARTMENT OF TRANSPORTATION
GOOD FAITH EFFORTS DOCUMENTATION - DBE
 DES-OE-0102.11A (NEW 06/2012)

4. List the names and dates of each publication in which a request for DBE participation for this project was placed by the bidder. Attach copies of published advertisements or proof of publication:

Publications	Dates of Advertisement
--------------	------------------------

PLEASE SEE ALL PROOFS OF PUBLICATION UNDER TAB 5

Daily Construction Service - Reed Construction Data	6/24 – 7/15/13
Small Business Exchange	Weekly: 6/20, 6/27, 7/3/13
SBE TODAY	6/24, 7/1, 7/8, 7/15/13
SBEINC.COM	6/20/13 – 8/1/13
Caltrans Office Engineer – Advertised by Prime	6/24/13 – 8/1/13

5. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

Name of Agency	Date of Contact	Method of Contact	Results
----------------	-----------------	-------------------	---------

PLEASE SEE COMPLETE AGENCY ASSISTANCE LISTING UNDER TAB 6

6. List efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE assisted, the information provided, and the date of contact. Provide copies of supporting documents.

Information regarding access to the plans and specifications was provided in our solicitations. Plans were made available for viewing and copying at our Riverside office from 7:30AM – 5:00 PM daily. We also stated that the plans were available on the Caltrans website and provided the link. Skanska had no specific requests for assistance in regards to the plans or specifications.

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

Skanska's Estimating, Risk Management and DBE Compliance team staff is available during regular business hours to provide requested assistance on bonding, credit and/or insurance questions upon request. Technical assistance is also available upon request. During this outreach and bid process we were not solicited for assistance.

B. Include additional data to support a demonstration of good faith efforts.

Skanska is an industry leader in regards to efforts put forth for Small Business participation. We have a full DBE Compliance staff that not only assists with each pursuit, but is part of the project team to provide continuous monitoring and assistance. For all pursuits Skanska utilizes SBE, a DBE certified company to assist us in our initial outreach and project advertising. Skanska also maintains relationships with Small Business firms by offering quarterly training sessions call "Small Business Academies." These courses are training sessions that we use to educate small businesses on proven bidding, marketing, teaming and growth strategies.

NOTE: USE ADDITIONAL SHEETS OF PAPER IF NECESSARY.

ADA Notice For individuals with sensory disabilities, this document is available in alternate formats. For information call (916) 654-6410 or TDD (916) 654-3880 or write Records and Forms Management, 1120 N Street, MS-89, Sacramento, CA 95814.

Businesses Solicited with Primary Trade/Skanska 08-491804

SKANSKA

Sub-Bids Requested From Qualified DBE Subcontractors & Suppliers

**Rehabilitate Pavement and Widen Median Shoulders on Route 62 in Riverside County near
Desert Hot Springs from Route 10/62 Separation to North Indian Canyon Drive**

District 08 on Route 62

Contract No.: 08-491804

DBE Goal: 7%

Bid Date: July 18, 2013 - 2:00PM

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://dot.ca.gov/hq/esc/oe/weekly_ads/all_adv_projects.php

Quotes requested from Contractors, Suppliers and Service Providers include, but are not limited to:

Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Erosion Control, Temporary Pavement Marking, Temporary Traffic Stripe, Temporary Railing, Portable Changeable Message Signs, Temporary Crash Cushion Module, Metal Beam Guard Railing, Roadside Signs, Cold Place Concrete Pavement, Clearing and Grubbing, Roadway Excavation, Develop Water Supply, Erosion Control, Fiber Rolls, Class 2 Aggregate Base, Lean Concrete Base, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Concrete Pavement, Seal Pavement Joint, Bar Reinforcing Steel (epoxy coated), Furnish Single Sheet Aluminum Sign, Rock Slope Protection, Transition Railing, Terminal System, Crash Cushion, Thermoplastic Pavement Marking, Thermoplastic Traffic Stripe, Paint Traffic Stripe, Pavement Marker, Furnish & Place Polyester Concrete Overlay, Rumble Strip, Maintain Existing Traffic Management System, Inductive Loop Detector, Piezo-Electric Axle Sensors, Street Sweeping, Water Trucks

Skanska is interested in soliciting in Good Faith all subcontractors as well as certified DBE companies for this project. All interested subcontractors, please indicate all lower tier DBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

Skanska is an Equal Opportunity Employer

Skanska Estimating Dept: 1995 Agua Mansa Rd, Riverside, CA 92509
Ph: (951) 684-5360 • Fax: (951) 788-2449 • Email: joe.sidor@skanska.com

**PLEASE FAX YOUR RESPONSE TO SMALL BUSINESS EXCHANGE AT (415) 778-6255
OR EMAIL IT TO SBE@SBEINC.COM**

COMPANY NAME: _____ PHONE/FAX NUMBER _____

- Yes, we are interested in bidding.
What portions of the work will you be bidding: _____
- No, we will not be bidding.
- Unsure at this time, please contact us later.
- This is not our type of work therefore we are not bidding.

Areas of Expertise: _____

To opt out of receiving further faxes, call 800-800-8534 or (415) 778-6250 or email sbe@sbeinc.com

*** END OF REPORT ***

Fax Status Legend

KeyesFax

Status

The Status field lets you know what is happening or what has happened to each fax. There are a lot of different status messages that the system uses, this is what they mean:

IMGCONV JQ

The fax is waiting on the IMGCONV job queue to be converted.

Converting

The fax is being converted from text form to a Fax image.

FAXCOM JQ

The fax has been converted, now it is waiting to be faxed.

Cnsolidatd

The fax has been consolidated with another to the same recipient.

Scheduled

The fax is scheduled to be sent at the time shown on the far right.

Held or *HOLD

The fax has been put on HOLD using option 3. You can restart the fax using option 9.

use Opt 1

The fax has a phone number of *FAX, *PBX, or *LIST with multiple recipients. You can see the details using option 1.

Active, Running, Dialing, Connecting

The fax is in the process of trying to connect with a fax machine.

Sending

The fax page listed on the right is currently being transmitted.

Sent

The fax has been sent. The last page sent is shown under the Page field.

Sent?

The fax was sent, but without a confirmation from the fax machine.

Will Retry

The fax failed, but is scheduled to retry at the time shown on the right.

The reason for the failure can be seen by choosing option 1 (Details).

Resubmitted

The fax had to be started over, choose option 1 (Details) to see why.

No Cnctn

The fax system could not connect to the remote fax machine.

Lost Cnctn

The fax was transmitting, but the connection was lost.

Busy

The phone number called was busy.

No Answer

The phone number called rang, but no one answered.

NoDialTone

The modem picked up the phone but there was no dial tone. See the detailed description of this error later in these help screens.

Fax Status Legend

KeyesFax

No Carrier

Someone answered the phone call but it was not a fax machine.

Cancelled

The fax was cancelled using the Work with Fax Lines option 7.

Bad File, Missing, No Pages, Bad Cover

These messages mean that something was wrong with the original fax image or its coversheet. You will have to recreate the fax.

Bad LibL, No ICF File, BadLicense

These indicate that the system has not been installed correctly or the library has been damaged.

Com failed, Failed, Bad Modem

These indicate that something is wrong with the communication to the fax modem. Check to see that it is turned on and properly connected.

Separating

The program is separating a multi-page spooled file by phone numbers.

E-mailed

The fax was converted to an e-mail attachment and was e-mailed.

Eml Failed

The fax was converted to an e-mail attachment but failed to be mailed. You must use the Work with KeyesMail screen to determine the cause.

When a failure occurs, you will get a message sent to you that further describes what had happened. A copy of the message is also sent to the FAXCOM message queue and is described below:

Excessive line errors

This is caused when the remote fax machine reports that the phone line has caused too many errors on the fax scan lines. When this happens, the system will automatically send the page again. If the remote fax machine again reports too many line errors, this message is reported to you. In most cases, the recipient will be able to make out the entire fax from the 2 copies that they receive.

Did not connect

This means that the system contacted a fax machine but could not get a connection with it.

Line is busy

This means that the phone line did not ring at the destination. It got a busy signal.

Lost connection

This means that a fax machine was connected and the first page was transmitted, but the system lost the connection. It did not get a response from the remote fax machine saying that it had received the page. It must be assumed that the page was not received.

Fax Status Legend

KeyesFax

No connection or Did not connect

This means that the first page was not even attempted. A fax machine did answer the phone but the 2 systems could not establish a connection

Phone Rang, Ringing

While the fax was getting ready to be sent, the phone rang.

May not be Class 1 Fax modem

This is caused when the fax system asks the modem what class it is and the modem does not respond correctly. The system issues this message, then Varies OFF the Fax line and Varies it back ON. This usually resets the modem so that it again works properly. If the modem was not a Class 1 modem or if it were malfunctioning, you would get this message 6 times then the system will shut the fax line down.

Modem not responding

This is similar to the above explanation.

No Confirmation, Not Cnfrmd

At the end of each page a fax machine is supposed to confirm that it has received the page. Sometimes this confirmation is lost, due to an incompatibility with the modem that you are using. In this case, we do not resend the same page. To do so would usually result in the same page being sent, repeatedly.

, will retry

When this is added to a message it means that the job has been scheduled to try again in a few minutes.

, Job canceled

When this is added to a message it means that the system cannot complete the fax and it is going to stop trying, usually because it has exhausted all of the retries.

, Resubmitting

When this is added to a message it means that the system is automaticall resubmitting the job to try to correct the problem.

RE: Riverside County
Rehabilitate Pavement and Widen Median Shoulders on Route 62
Contract No.: 08-491804

Bid Date: July 18, 2013

I'm calling on behalf of **Skanska**.

They're bidding on Rehabilitate Pavement and Widen Median Shoulders on Route 62 in the Riverside County, and are very much interested in subcontracting portions of the work.

QUESTION

- | | |
|-----|---|
| #1. | We faxed you an Invitation. Did you receive it? |
| #2 | Are you interested in participating? |
| #3 | In what portion of the work? |
| #4 | Can Skanska assist you in any way? |
- Skanska Estimating Dept

Sub-Bids Requested From Qualified DBE Subcontractors & Suppliers
Rehabilitate Pavement and Widen Median Shoulders on Route 62 in Riverside County near
Desert Hot Springs from Route 16/62 Separation to North Indian Canyon Drive
District 06 on ~~XXXXXXXXXX~~
Contract No.: 06-401804
DBE Goal: 7%
Bid Date: July 18, 2013 - 2:00PM

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://dot.ca.gov/bq/est/oe/weekly_ads/all_adv_projects.php

Quotes requested from Contractors, Suppliers and Service Providers include, but are not limited to:

Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Erosion Control, Temporary Pavement Marking, Temporary Traffic Stripes, Temporary Railing, Portable Changeable Message Signs, Temporary Crash Cushion Module, Metal Beam Guard Railing, Roadside Signs, Cold Place Concrete Pavement, Clearing and Grubbing, Roadway Excavation, Develop Water Supply, Erosion Control, Fiber Rolls, Class 2 Aggregate Base, Lean Concrete Base, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Concrete Pavement, Seal Pavement Joint, Bar Reinforcing Steel (epoxy coated), Furnish Single Sheet Aluminum Sign, Rock Slope Protection, Transition Railing, Terminal System, Crash Cushion, Thermoplastic Pavement Marking, Thermoplastic Traffic Stripe, Paint Traffic Stripe, Pavement Marker, Furnish & Place Polyester Concrete Overlay, Rumble Strip, Maintain Existing Traffic Management System, Inductive Loop Detector, Piezo-Electric Axle Sensors, Street Sweeping, Water Trucks

Skanska is interested in soliciting in Good Faith all subcontractors as well as certified DBE companies for this project. All interested subcontractors, please indicate all lower tier DBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

Sub-Bids Requested from qualified SBE/DVBE Subcontractors and Suppliers For:

F.E. WEYMOUTH WATER TREATMENT PLANT FILTER BUILDINGS SEISMIC UPGRADES SPECIFICATION NO. 1713 OWNER: THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA (MWD) LOCATION: LA VERNE, CA

BID DATE: JULY 18, 2013 @ 2:00 P.M.

J.F. SHEA CONSTRUCTION, INC.
667 Brea Canyon Road, Suite 30, Walnut, CA 91788-0489
Phone: (909) 595-4397, Fax: (909) 444-4268
Contact: Lori Olivas, lori.olivas@jfshea.com

J.F. Shea Construction, Inc. is soliciting your participation in the preparation of this bid. We are particularly interested in bids from subcontractors/suppliers for the following work items:

Demolition, Hazardous Waste Removal & Disposal, Removal of Lead-Based Paint, Site Concrete, Ready-Mix Concrete, Reinforcing Steel, Structural Steel, Miscellaneous Metals, Clay Roof Tile, Sheet Metal, Sealants, Tile, Painting, and Electrical.

Plans are available from: MWD, 700 N. Alameda St., Los Angeles, CA 90012, Specifications Desk, \$90 per paper set + CD, \$20 CD only, or free download at <http://www.planetbids.com/portal/portal.cfm?CompanyID=16151#>. Plans may also be viewed at the Dodge Plan Rooms or at our Walnut Office.

J.F. Shea Construction, Inc. is an equal opportunity employer and intends to negotiate in good faith with interested SBE/DVBE firms and intends to utilize the lowest responsive bidder. J.F. Shea expects potential subcontractors to be bondable. J.F. Shea will pay for up to 1% for subcontractor bond costs. Subcontractors and Suppliers are expected to bid per plans and specifications, including requirements for warranties. Standard manufacturer's warranties, if not in conformance with owner's specifications, will not be accepted.

Purchase Order No. _____

THIS QUOTATION IS SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

- 1) All sales are C.O.D. unless a credit account has been pre-approved, is current and unrestricted. Payments of credit account sales are due net 10th prox. Interest on past due accounts will accrue finance charges at the rate of 18% per annum on all amounts not paid when due. This proposal specifically allows the Seller to invoice for and receive payment for the value of materials, supplies, services, and work performed each month, including materials manufactured on hand and awaiting shipment. Full and final payment will be required prior to final shipment of materials.
- 2) Prices quoted do not include applicable taxes or freight charges, unless specifically stated.
- 3) This proposal is subject to change without notice, and all quotations expire and become invalid if not accepted within 10 days from the date of issue and shall be automatically withdrawn thereafter.
- 4) All prices are F.O.B. factory or warehouse, depending on origination of shipment.
- 5) All prices quoted are based upon the direct use or installation by Customer. Resale by Customer, unless specifically approved in the quote are strictly prohibited and shall void this quotation.
- 6) Prices quoted are specified quantities only. Changes in quantities delivered may result in higher prices charged. Requests for additional materials above the specified quantities may be priced at higher rates. When quoted prices are based upon truckload rates, quantities requested are estimated only and cannot be guaranteed.
- 7) All sales are final. No materials are returnable.
- 8) Delivery dates are estimates only. Sam's Equipment & Supplies is not responsible for any delay in shipments, incorrect materials shipped, incorrect quantities shipped, materials damaged during shipment, inaccessibility of the project site for delivery of materials, or any other cause of delay beyond its control. No damages of any kind, whether compensatory, special, incidental, consequential, or other, shall be paid as a result of delay in delivery of the ordered materials.
- 9) For projects in which Customer does not promptly take complete delivery of all the goods identified in this proposal, prices identified in this proposal shall remain firm for a period of 30 days after acceptance of this proposal, unless specifically stated in the quotation. In the event the time period expires before Customer takes complete delivery, Sam's Equipment & Supplies shall be entitled to raise its prices for all or part of the remaining undelivered goods.
Payment to Customer by third party is not a condition precedent for Customer's payment to Sam's Equipment & Supplies.
- 10) Customer assumes responsibility for carrier's reasonable access to the project site for delivery of materials. Customer agrees to pay for all additional costs for redirection of delivery and/or temporary storage costs should the project site be inaccessible to carrier, regardless of cause.
- 11) NO WARRANTIES, EXPRESSED OR IMPLIED ARE PROVIDED BY SAM'S EQUIPMENT & SUPPLIES. ALL WARRANTIES, IF ANY, ARE PROVIDED BY THE MANUFACTURER OF THE MATERIALS, IN NO EVENT SHALL SAM'S EQUIPMENT & SUPPLIES BE LIABLE FOR ANY COMPENSATORY, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR RESULTING FROM, OR IN CONNECTION WITH, THE BREACH OF ANY WARRANTY, DEFECTS IN THE MATERIALS, OR CUSTOMER'S USE OF THE MATERIALS.
- 12) The conditions contained herein are an integral part of this proposal, shall be superior to, and included, without modification, into any other form of order or agreement issued to, or entered into with, Seller for supplying of the proposed products.
- 13) Any dispute(s) arising out of this proposal, order and/or agreement, shall be settled by arbitration. Each party shall select one arbitrator. The two selected arbitrators shall select the rules and the third arbitrator.
- 14) In the event of allegations, claims or litigation between the parties, the prevailing party shall be entitled to all costs and attorney's fees. The prevailing party shall be defined as that person or entity that receives one dollar (\$1.00) more than the other party. Customer agrees that jurisdiction for any lawsuit shall be in the County of Fresno, California.

S.B./D.V.B.E./D.B.E./U.D.B.E./S.M.B.E./S.D.V.O.S.B.C.

Sam's Equipment & Supplies is a S.B., D.V.B.E., D.B.E., U.D.B.E., S.M.B.E., and S.D.V.O.S.B.C. certified company.

With over twenty-nine continuous years of experience in the construction field, we have supplied equipment and products throughout California serving a wide variety of end users.

- State Highways
- Storm & Sanitary Sewers
- Landfills & Waste Management
- State Correctional Facilities
- Agriculture
- Schools & Other Public Buildings
- Parks & Recreation

Sam's Equipment & Supplies takes great pride in our ability to maintain competitive pricing through agreements with major product manufacturers throughout the United States, while maintaining a high level of quality products. Our success is directly related to our ability to research and procure products at a competitive price. Below is a partial list of products that we have recently supplied on various projects.

- Heavy Equipment (Sales)
- Underground Pipe (PVC, HDPE, RCP, CSP, Steel, Etc...)
- Drain Inlets
- Manhole Material
- Structural Steel, Fabricated Steel
- Aggregate Products (AC, Base Rock, Rip Rap, Etc...)
- Paving Fabric (Geotextiles, Etc...)
- Concrete Products (K-Railing Sales & Rental)
- BMP Material
- Landscape Material
- Electrical Material
- Playground Equipment
- Safety Equipment

We are confident that with our vast knowledge of construction products that we could provide your firm with quality products at competitive pricing while meeting your S.B., D.V.B.E., D.B.E., U.D.B.E., S.M.B.E. and S.D.V.O.S.B.C. requirements on upcoming projects.

TOTAL					\$ 841,170.00

Exclusions:

- Storm Water Pollution Control, Water Pollution Control Plans and implementation or cost thereof.
- Survey, layout and/or staking.
- Dust control and haul road maintenance
- Sweeping and/or vacuum broom
- Bonds, permits, fees and cost thereof.
- Pavement markings (Temporary or Permanent)
- Furnish construction message signs, and/or changeable message signs and any related work or the movement thereof.
- Furnishing or moving any of the following will be others and will be scheduled by prime not to interfere with our work; traffic control, k-rail, crash cushions, QCMB, k-rail end protection devices, terminal sections, crash arrays.
- Dewatering and control of surface water.
- Removal or disposal of hazardous or contaminated materials and any related costs.
- Utility Relocations.
- Architectural finishes, stains, or color.
- Notification of property owners and/or tenants.
- Maintaining existing traffic management system elements during construction and all related work.
- Clearing and Grubbing
- "Standard" Subcontract Agreements, our subcontract terms to be negotiated, any and all terms listed in any advertisement by prime contractor are specifically excluded, and the terms of our quote shall prevail in all cases.
- Retention.
- Traffic control.
- Post mile markers.
- Remedies for concrete stains on asphalt.
- Protection of railroad facilities, railroad insurance, and flaggers.
- Material over-run due to grading by others.
- Excavation, grading, compaction, backfill and/or shoring.

Special Conditions:

- RES will not perform extra work at force account until a CCO for said extra work is fully executed or another method for paying for extra work is established so that extra work will be paid on the next progress estimate following the start of the extra work.
- All work not paid at a quoted item rate will be charged to the prime at a rate no less than the Caltrans extra work rate for subcontractors with standard markups, without regard to the payment or reimbursement to prime from owner.
- No amounts shall be withheld from our extra work payments. Only the prime's markup on RES, should the owner pay the markup, may be withheld.
- Release of retention within thirty (30) days of the completion of our work without regard to other ongoing work on the project.
- Release of progress and final payments within five (5) calendar days of warrant date or EFT date whichever is sooner.
- Price based on mutually agreed upon schedule, in writing, with 60 days written notice for all move-ins.
- Prices subject to change if not accepted in writing within thirty (30) days.
- Attendance of any prime contractor safety meeting shall be at force account plus standard subcontractor markups.
- RES will require prime contractor to coordinate construction activities at each location.

3430 Pacheco Blvd. • Martinez, CA 94553 • (925) 957-8184 FAX: (925) 957-8121
License No. 725244

10. Our insurance for this project will not include coverage beyond the standard limits carried by RES, or any insurance coverage in favor of others, or an excess umbrella liability policy.
11. RES shall receive copy of all CPM's and schedules and their revisions with time to comment and dispute prior to submittal to owner. Failure to comply shall relieve RES of any obligations related to the contents of the schedule or impacts to the schedule and any related penalties. In the event that durations or information is forwarded to Caltrans without the consent of RES and the unapproved information becomes part of a claim or contract change order any monetary consequences will become the Contractor's responsibility. Referring RES to review the project schedule at the contractor's office is not acceptable.
12. This quotation shall be made an integral part of our subcontract agreement as a scanned copy of this exact document, in its entirety, and as such shall supersede any conflicting language in the subcontract agreement. Rewording or paraphrasing of our terms for inclusion in subcontract is unacceptable.
13. RES rejects all of the terms in every prime contractor advertisement and solicitation, and encourages primes to assist with DBE participation.
14. Prices bid as a package, please call before splitting.
15. Traffic control and k-rail movement to be provided as deemed necessary by RES at no cost to RES.
16. Jobsite water at work areas and sanitary facilities with wash stations to be provided by others at no cost to RES.
17. RES will require any temporary k-rail movement and specific location of k-rail openings to be coordinated with its operations and will be staging paving equipment and related equipment at worksite unless other arrangements satisfactory to RES are made in advance at no cost to RES.
18. Prices are based on working standard shifts without overtime, and working in an uninterrupted sequence 5 days a week.
19. Prime to provide and maintain all weather track grade, clear of obstacles.
20. Prime to provide clear and safe concrete mixer or truck or concrete pump access to the work
21. RES will not be responsible for JPCP/LCB pavement thickness deficiencies resulting from sub-grade / sub-base placed to incorrect elevations by others.
22. Prime Contractor to provide grinding slurry dumpsite within 15 miles of the work site at no cost.
23. Prime contractor to provide JPCP / LCB / CRCP survey staking for line and grade. Points to be 1.2 meter offset from edge of JPCP / LCB / CRCP with a fill to finish grade on projected plane of pavement. 20 meter spacing in tangents and 10 meter spacing in radius. Should survey not be provided exactly as stated above, RES reserves the right to have it provided by a third party and shall charge the prime contractor for these costs plus 5% markup for administrative fees.
24. Mobilizations are included as follows: 2 mobs all work. Additional mobs will be \$9500. No credit for fewer.
25. Escalator of \$10 per cubic yard for items 37 and 46 beginning 1/1/15; and an additional \$15 per cubic yard every 6 months thereafter until the completion of this project.
26. Escalator of \$1 per linear foot for item 47 beginning 1/1/15; and an additional \$1 per linear foot every 6 months thereafter until the completion of this project.

RE SWPPP Proposal-Rehabilitate Roadway Pavement and Widen
Median Shoulders/Skanska USA Civil West California

COVER MESSAGE

Hi Joe,

Please kindly view the attached SWPPP proposal for Project Number: 08-491804
(Rehabilitate Roadway Pavement and Widen Median Shoulders)

Please do not hesitate to contact me if you have any questions or concerns.
Look forward to hearing from you.

Best Regards,

Mary,
Engineering Department

Bid Price Proposal

MLM & Associates Engineering, Inc. (MLM), is a certified DBE environmental engineering and environmental support services consulting firm that is ~~pleased~~ to have the opportunity to present to Skanska for the proposed construction on State Highway in Riverside County near Desert Hot Springs from Route 10/62 separation to North Indian Canyon Drive, under Caltrans Contract Number: 08-491804 our bid price proposal for the professional and technical delivery of Environmental Support Services for the following items:

1. Storm Water Pollution Prevention Plan (SWPPP)
2. Lead Compliance Plan

Storm Water Pollution Prevention Plan (SWPPP)

MLM will assign one of our Environmental Professionals, a certified QSD (Qualified SWPPP Developer) as required to prepare a Site specific Storm Water Pollution Prevention Plan (SWPPP) in accordance with State and local regulations and ensure plan is implemented and monitored properly. Our services will be performed in conformity with the standard of care, defined herein as that level of services ordinarily provided by professionals practicing in the same field as MLM under similar circumstances as those surrounding the Project. It is understood that the SWPPP is a living document and shall include all Best Management Practices (BMP's) details and requirements and shall be adjusted and updated as the Work changes or progresses.

SWPPP Scope of Services include, but are not limited to, the following tasks:

1. Planning and Organization – review of contract documents and on-site meetings to understand contractor activities, erosion potential and site history.
2. Identification and selection of Best Management Practices (BMP) required for the project.
3. Develop Erosion and Sediment Control Plan
4. Prepare SWPPP and secure required approvals from the Authority having jurisdiction.
5. Site Inspections after initial installation of BMPs by others to ensure requirements have been met.
6. Define reports, records or documentation needed to comply with plan.
7. Provide training for designated Skanska employees related to SWPPP monitoring if required.
8. Provide SWPPP related Sampling and Analysis if required or requested.
9. Prepare updates and revisions to the SWPPP as needed.
10. Perform weekly pre storm, during and post storm event site inspections and observations as required under the Construction General Permit, to identify and record BMP's that need maintenance to operate effectively, that have failed, or that could fail to operate as intended.

11. Complete an Inspection Checklist, using a form provided by the State Water Board or Regional Water Board or in an alternative format. This task is required by the above referenced regulatory agencies and will be carried out by our QSD and/or QSP:

- ❑ Weather information, including presence or absence of precipitation, estimate of beginning of qualifying storm event, duration of event, time elapsed since last storm, and approximate amount of rainfall in inches.
- ❑ Site information, including stage of construction, activities completed, and approximate area of the site exposed.
- ❑ A description of any BMP's evaluated and any deficiencies noted.
- ❑ If the construction site is safely accessible during inclement weather, list the observations of all BMP's: erosion controls, sediment controls, chemical and waste controls, and non-storm water controls. Otherwise, list the results of visual inspections at all relevant outfalls, discharge points, downstream locations and any projected maintenance activities.
- ❑ Report the presence of noticeable odors or of visible sheen on the surface of any discharge.
- ❑ Any corrective actions required, including any necessary changes to the SWPPP and the associated implementation dates.
- ❑ Photographs taken during the inspection, if any.

SWPPP Bid Price

1. Storm Water Pollution Plan (SWPPP) Development	\$10,113.03
a. Data gathering on project site, BMPs, field operations, and identify potential pollutants	\$2,701.80
b. Development of Erosion & Sediment Control Plan	\$1,597.72
c. Development of SWPPP	\$4,241.00
d. 2 nd Draft Report	\$804.25
e.. Final Report	\$768.26
2. SWPPP Training	\$1,500.00
a. Initial site specific training (if required)	\$1,500.00
3. SWPPP Implementation	\$33,822.08
a. Perform General Construction Permit (GCP) required weekly inspections, observations and reports by QSD/QSP (36 weeks)	\$22,861.44
b. Pre Rain Inspection & Reporting (4 events)	\$2,540.16
c. Post Rain Inspection and Reporting (4 events)	\$2,540.16
d. Sampling and Analysis (4 Events)	\$5,080.32
e. Storm Water Annual Report	\$800.00
TOTAL COST	\$45,435.11

Note: If there are additional amendments and updates other than the two amendments included in the SWPPP fixed price as herein stated, caused by a result of Work changes or progresses, a change order will be submitted by MLM to Skanska for the required additional hours in order to prepare, complete, and submit the extra amendments and updates to the SWPPP utilizing our approved Billing Rates per hour for the preparation and submittal of the required amendment(s) to the Authority. MLM will deliver 3 hard copies of the SWPPP and 1 electronic copy.

Lead Compliance Plan

MLM shall prepare a Lead Compliance Plan for the contractor that establishes requirements on how the contractor will get into compliance with OSHA’s lead standard. It includes engineering, work practice, and administrative controls. It will be reviewed and updated at least every 6 months and remain in effect until two consecutive exposure monitoring results are below the OSHA PEL. This plan can then be modified to include only those sections required when an employee is exposed above the OSHA AL. The Lead Compliance Plan will be prepared and signed off by one of our certified Industrial Hygienist.

The Lead Compliance Plan will consist of the following sections:

- a) Purpose
- b) Scope
- c) Responsibility
- d) Operations With Exposure Over The Pel
- e) Description of Controls Considered
- f) Control Implementation Schedule
- g) Lead Monitoring
- h) Work Practice Program
- i) Administrative Controls Schedule
- j) Medical Surveillance
- k) Employee Information and Training
- l) Signage
- m) Recordkeeping

Lead Compliance Plan Bid Price

Task	Price
Prepare Lead Compliance Plan	\$4,500.00
Lead Compliance Monitoring (Daily)	\$85.00/hour
Lead Monitoring Equipment Rental	At Cost
Lead Monitoring Reports	\$85.00/hour

MLM & Associates Engineering

Robin Lawrence, Vice President Date: 7/12/2013

Providing Engineering Management And Environmental Support Services

MLM & Associates Engineering, Inc. Company Profile:

Founded in 1991, MLM & Associates Engineering, Inc. (MLM) is a certified UDBE, DBE, SBE, MBE and WBE firm.

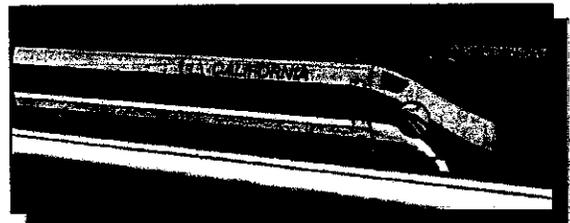

We are an engineering management and environmental support services consulting firm offering services to clients throughout the United States.

MLM employs a team of talented, experienced and diverse engineers, scientists, geologists, and support staff to provide full environmental management services. Our services include: air quality monitoring, fugitive dust control and monitoring, water quality management, storm water and wastewater management, hydrology reports, environmental engineering, project management, geotechnical surveys, environmental assessments, audits and management consulting, noise and

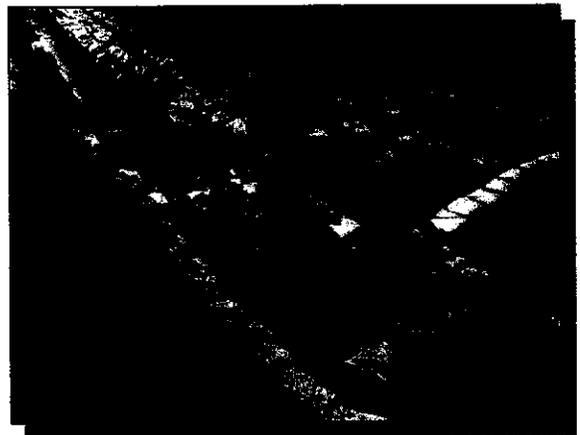

vibration plans and monitoring, pre/post construction surveys, and environmental compliance to satisfy laws and regulations for construction projects from initial planning to development, and remediation management.

MLM is positioned to respond to the demanding schedules and needs that will arise from projects such as the California High Speed Rail Project.

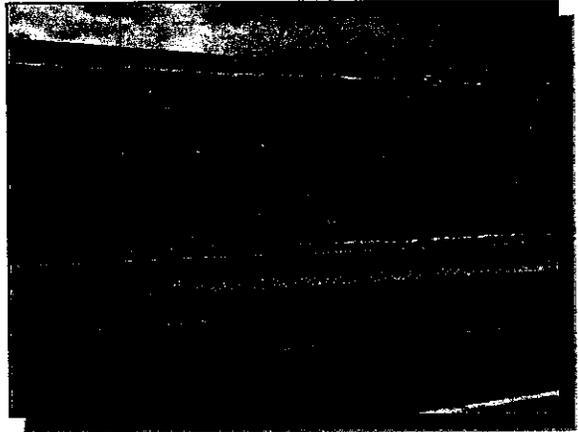

Water Pollution Control Management and Compliance:

- General Construction Permit Requirements
 - Preparation – State Water Resources Board
- Storm Water Sampling Procedures
- Storm Water Pollution Prevention Plans (SWPPPs)
- Storm Water Monitoring Plans, Reporting NPDES Permits
 - NOI for NPDES General Permit
- Storm Water Management Plans
- Facility Inspections
- BMP Evaluation and Implementation
- Water Quality Management
- QSD SWPPP Development & Inspections

Monitoring Environmental Impacts of Construction Activities:

- Pre- and Post-Construction Surveys
- Soil Erosion Control Plans and Monitoring
- Noise, Vibration, and Dust Control Plans; Monitoring and Recordkeeping
- Hazardous and Toxic Materials Management & Safety
- On-Site Hazardous Waste Management
- Pollution Prevention
- Emergency Planning and Community Right-To-Know (EPCRA)
- Air Quality Monitoring, Reporting
- New Source and Construction Permits
- Project Environmental Agency Approvals and Liaison

Environmental Compliance:

- Phases I and II Environmental Site Assessments
- Emergency Preparedness Plans
- Regulatory Agency Reports
- Hazardous Waste Source Reduction
- Compliance Reports, Reviews and Audits
- Facility Closure
- Storage Tank Management – Permits – State Board of Equalization
- Hazardous Waste and Toxic Substances Management
- Responses to Agency Notices of Violation
- Environmental Compliance Training – Preparation of Environmental Permits
- Spill Containment

General Engineering-Landscape-Erosion Control-SWPPP/QSP-Nursery

Landscape • Earth Services • Tree Care • Nursery

California License No. 957522
Classifications: A, C27, D49
SBA 8a, DBE, MBE, CBE, SB

CAPABILITIES

Landscape Construction Services - We provide a full range of planting, irrigation and turf installation services. The Jungle has a C-27 certified Landscape Contractor. We are fully capable of proceeding on a design-build basis for any size project. The Jungle also specializes in the installation of water conserving irrigation techniques including drip systems, native and drought tolerant planting, turf, hydro-seeding and tree installation of any size or species. With its Class "A" General Engineering license, The Jungle is able to handle a full project scope from grading and drainage to trenching and concrete walkways. The Jungle has successfully undertaken landscaping projects for numerous governmental and quasi-governmental institutions such as LAUSD, the City of Los Angeles, the County of Los Angeles, the Los Angeles Community College District (LACCD), the City of Palos Verdes Estates, U.S.D.A. and the Figueroa Corridor Partners.

Tree Trimming & Tree Removal - The Jungle maintains a D-49 classification (Tree Service Specialty). Services include tree trimming and tree care (all species); Tree removal and relocation; and arbor preservation. The Jungle has had extensive experience removing wind or storm damaged specimens as it did for the City of Los Angeles Dept. of Recreation and Parks following the historic wind storms of 2011. A certified arborist is available at all times.

Site Preparation, Drainage, Sidewalk, Curb & Gutter – With a California Class "A" General Engineering license, The Jungle's range of general engineering services include building demolition and certified disposal; land clearing; rough and finished grading; trenching; sidewalk, curb, gutter and drainage installation. The Jungle also can design and install landscape drains, French drains, slope drains, storm water collection and cistern systems, bio-swales and retaining walls. The Jungle's clients for these services include, Restore Neighborhoods Los Angeles, the City of Los Angeles, U.S.D.A. and LAUSD.

1900 Sawtelle Boulevard Los Angeles CA 90025
Phone: (310) 235-2875 Fax: (310) 388-5783

Storm Water & Erosion Control Services - These services include initial SWPPP's (Storm Water Pollution Prevention Plan) compliant with federal and state law; installation of BMP's (Best Management Practices) including but not limited to sandbags, fiber rolls, silt fences, temporary slope drains, hydro-seeding, dust control and other temporary drainage measures. We also provide monitoring of SWPPP compliance along with preparation and submission of final reporting. As a general engineering firm, The Jungle brings a full range of expertise to each unique storm water or erosion challenge.

Brush Clearance/Fire Control – The Jungle is certified as a qualified fire brush clearance vendor by the Los Angeles County and Orange County Fire Departments. The Jungle's expert crews are fully familiar with applicable state and local fire codes as well as establishing "Defensible Space" for effective fire protection of property, life and the environment. The Jungle is currently under a multi-year contract with the City of Palos Verdes Estates and has performed these services extensively for other agencies such as the LAUSD.

Landscape/Site Maintenance –The Jungle provides a full range of maintenance services in concert with and as a compliment to its other capabilities. The Jungle's maintenance services include mowing and turf preservation; hedge trimming, weeding plant maintenance and irrigation; plant replacement and seasonal ornamental planting; tree trimming and tree replacement; irrigation system monitoring and maintenance; general groundskeeping; and parking lot sweeping. These services can be provided on nearly any scale. Maintenance packages are available in conjunction with other services such as landscaping, planting and irrigation.

Nursery - A full operating nursery with indoor and outdoor plant material including California Natives, drought tolerant specimens, succulents, turf and a wide selection of plants suitable to institutional buildings. The Jungle works extensively with local landscape professionals; provides delivery, installation and has available contract maintenance services for all material supplied and installed. Warranties on all plant materials are available.

Additional Classifications & Certifications - The Jungle certified as a SBA 8a business. It also is certified as SB (Small Business) by the State of California; DBE (Disadvantaged Business Enterprise) by LACMTA; a MBE (Minority-Owned Business Enterprise) by the City of Los Angeles; and a CBE (Community Business Enterprise) by the County of Los Angeles. Currently, The Jungle maintains full liability and workers compensation coverage for all projects, and currently, can secure project bonding up to \$500,000.00.

The Jungle pays prevailing wages and as required will prepare certified payroll on all municipal or government-related projects.

QUOTE#: MR61413420

Cal-Trans 08-491804
Riverside (Desert Hot Springs), Ca

Item	Description	Unit	Est. Quantity	Unit Price	Item Total
35	Erosion Control (Bonded Fiber Matrix)	Acre	45	\$ 3,781.00 ✓	\$170,145.00

CalTrans Certified SWBE, SMBE CT-08771, Union local 1184, C27-582303

TERMS AND CONDITIONS:

Estimate is based on prevailing wage, includes tax and EIGHT (8) move-ons. Each additional unscheduled move-on will be charged \$600.00. All material is guaranteed to be as specified above and all work performed will be in a workmanlike manner. Client is to provide legal access to on-site water through a 2 1/2" metered hydrant or equal connection. Arrival upon a site with no water source is subject to a move-on charge and rescheduling. This proposal is based upon full access of the job site with trucks and equipment being able to reach all areas with a maximum of 300 ft of hose.

EXCLUSIONS:

• Night Work • Traffic Control • Grading • Debris Removal • Soil/Site Preparation • Weeding/Weed Infestation • Watering • Re-seeding
HYDROSPROUT, INC. will not be responsible for poor or failed irrigation, acts of nature and maintenance of Hydroseeding and therefore cannot guarantee germination or growth. Items not specified in this bid are neither implied or included and does not include an addendum unless otherwise stated.

INSURANCE:

Payment/Performance bond not included unless secured by an additional cost @ 2.5%. Insurance requirement exceeding \$1 Million for Liability and WC is not included. Hydroseeding only, "completed operations" excluded. Reductions or additions of 25% of estimated quantity subject to unit price change. Stand-by and delay time charged at T&M rates. In the event of litigation relating to the subject matter of this agreement, the non-prevailing party shall reimburse the prevailing party for all reasonable attorney fees and costs resulting therefrom. HYDROSPROUT, INC. will accept a signed and dated sub-contract or purchase order provided that all of the terms and conditions as outlined herein are included. Based upon acceptance of this proposal HYDROSPROUT, INC. will purchase materials specifically for this project, as such the costs for any materials will be billed (including any taxes, mark-up or handling charge) whether or not the project is installed or rescheduled. All retention is due 30 days after acceptance of HYDROSPROUT'S portion of work by owner/agency. This bid is void if not accepted within 90 days.

Thank you

Bid per request.

Plan Sheets: WPCQ-1, EC-1 & EC-2.

Specs Pages: 21-1.01B, 21-1.02E, 21-1.02F(2), 21-1.02J, 21-1.02M, 21-1.02P,
21-1.03A, 21-1.03B, 21-1.03G, 21-1.03I, 21-1.03P & 21-1.04.

Existing SWPPP: No

Addenda: 1 thru 3

Qualifications/Exclusions:

1. - Site to be received at +/- .10 of foot to finish grade/sub-grade in a clean, weed free condition.
2. - No site/soil preparation, pre-soil moisture, weeding, scarifying, backfilling, fertilizing, grading, survey, clearing or grubbing, digging in, or trenching of hard dig materials.
3. - Adequate equipment access to work area's to be provided by others.
4. - Price quoted is based on one move-in for the entire area. Additional move-ins will be billed at \$500/Ea.
5. - Designated areas for hydroseeding or erosion control shall be clearly defined by an authorized representative.
6. - Our standby rate is \$75.00 per man, per hour.
7. - Water shall be made available on-site by others. 4,000 gal per hour will be required within 1/4 mile of working area.
Water source shall be made available with a minimum 2" size and at least 100 psi or better.
8. - No overseeding, watering, drainage, irrigation, plant warranty, inspection, protection, testing, weekly meeting, training/badging, SWPPP, WPC, BMP, or maintenance of SWPPP, BMP, hydroseed, mulch, or plant material, unless defined in bid.
9. - Excluding ALL maintenances & removal of erosion control items listed on attached proposal.
10. - No interim maintenance.
11. - No vehicular or pedestrian traffic control. No permits, testing, auditing, inspection fees, water costs, water meters/meter fees, or service line.
12. - We cannot guarantee germination of seed, unless maintained by Marina.
13. - This proposal excludes removal or disposal of all erosion control methods.
14. - This proposal is void unless written acceptance is received within 30 DAYS.
15. - Not responsible for grading or disturbance to existing graded areas.
16. - UNIT PRICE PREVAILS ACCORDING TO QUANTITY SPECIFIED ON BID BREAKDOWN.
17. - ALL ITEMS WILL BE FIELD MEASURED PER QUANTITY INSTALLED FOR FINAL BILLING.
18. - Contractor agrees to pay for all material procured for this project once the agreement or purchase order is signed.

***Marina is an established union contractor with over 40 years of experience and the ability to bond our projects (add 1% as a change order to the contract). Bond's will be supplied on Berkley Surety or AGC standard bond forms. If accepted, this proposal is to be part of our contract. Should you have any questions regarding this proposal, please contact our office immediately.

Thank You.

Construction Days = 180 Work Days
QSP Inspections Required for 32 weeks
Specifications: Caltrans and CA General Stormwater Permit

Bid ITEMS 9, 10, 11. Marina will provide 3 hard copies of the Stormwater Pollution and Prevention Plan (SWPPP), prepared by a Qualified Stormwater Developer (QSD). The California General Permit for New Construction requires that a Qualified Stormwater Practitioner (QSP) perform weekly inspections and pre-, during- and post-rain event inspections of all BMPs. Marina will provide a QSP for Construction Site Management and to complete all inspections including reports and photographs for the 32 week project duration. The QSP will also provide SWPPP training of the General Contractor's personnel as required by the State Permit. The QSP will monitor the weather and inform the Superintendent of forecasted rain events. The on-site SWPPP binder will be maintained and updated by the QSP as well.

Additional Clarifications and Exclusions:
 Unit prices in effect if quoted quantity for any item is exceeded.
 Additional cost if schedule exceeds 32 weeks.
 Additional QSD/QSP Services at \$150.00/Hour
 All Dewatering Activities Are Excluded.
 BMP Chemical Treatments Are Excluded.
 Storm Water Permit Fees Are Excluded
 Marina's approval required to split bid items

Sub-Bids Requested from qualified SBE/DVBE Subcontractors and Suppliers For:
F.E. WEYMOUTH WATER TREATMENT PLANT FILTER BUILDINGS SEISMIC UPGRADES SPECIFICATION NO. 1713
OWNER: THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA (MWD)
LOCATION: LA VERNE, CA
BID DATE: JULY 18, 2013 @ 2:00 P.M.

J.F. SHEA CONSTRUCTION, INC.

667 Brea Canyon Road, Suite 30, Walnut, CA 91788-0489
Phone: (909) 595-4397, Fax: (909) 444-4268
Contact: Lori Olivas, lori.olivas@jfshea.com

J.F. Shea Construction, Inc. is soliciting your participation in the preparation of this bid. We are particularly interested in bids from subcontractors/suppliers for the following work items:

Demolition, Hazardous Waste Removal & Disposal, Removal of Lead-Based Paint, Site Concrete, Ready-Mix Concrete, Reinforcing Steel, Structural Steel, Miscellaneous Metals, Clay Roof Tile, Sheet Metal, Sealants, Tile, Painting, and Electrical.

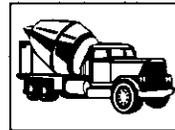

Plans are available from: MWD, 700 N. Alameda St., Los Angeles, CA 90012, Specifications Desk, \$90 per paper set + CD, \$20 CD only, or free download at <http://www.planetbids.com/portal/portal.cfm?CompanyID=16151#>. Plans may also be viewed at the Dodge Plan Rooms or at our Walnut Office.

J.F. Shea Construction, Inc. is an equal opportunity employer and intends to negotiate in good faith with interested SBE/DVBE firms and intends to utilize the lowest responsive bidder. J.F. Shea expects potential subcontractors to be bondable. J.F. Shea will pay for up to 1% for subcontractor bond costs. Subcontractors and Suppliers are expected to bid per plans and specifications, including requirements for warranties. Standard manufacturer's warranties, if not in conformance with owner's specifications, will not be accepted.

 Phone (760) 599-5500; Fax (760) 599-5510

If bonds are required, LHWS will pay the cost of the bond to a maximum of 1% of the contract value. Assistance to subcontractors/suppliers in obtaining bonds, lines of credit, and/or insurance is available from LHWS. LHWS is willing to work with qualified subcontractors/suppliers to establish acceptable delivery schedules, when work requirements permit. The schedule is the sole responsibility of LHWS and will not be mutually agreed upon. Subcontractors will be required to abide by the terms of the AGC Master Labor Agreements and to execute an agreement utilizing the latest L. H. Woods & Sons, Inc. Standard Subcontract/Purchase Agreement incorporating prime contract terms and conditions, including payment provisions. Copies of Standard Subcontract/Purchase Agreement are available for review at www.lhwoods.com. L. H. Woods & Sons' listing of a subcontractor is not to be construed as an acceptance of all of the Subcontractor's conditions or exceptions included with the Subcontractor's price quote.
