TERMS AND CONDITIONS

- Safety Striping Service, Inc is signatory to the Laborer's of Northern and Southern California.
- Safety Striping Service, Inc is a certified California DVBE / SBE (Certification # 14354).
- Safety Striping Service, Inc. requires IMMEDIATE notification upon being listed by the apparent low bidder, for purposes of scheduling and material management.
- Safety Striping Service, Inc. requires a written subcontract, purchase order or signed quote prior to mobilization for any work, or placing the order for job specific materials (i.e. signs, lead plans, etc).
- Safety Striping Service, Inc requires an invitation to pre-job meetings.
- Bonds are not included in this quote. If bonds are required, call for rate.
- This quote includes up to two (2) move-ins, defined as a period of consecutive eight hour days of continuous work, not including weekends or holidays. Any deviances from this, other than those initiated by Safety Striping Service, Inc, will be considered additional move-ins and billed at \$3,500.00 each.
- Referencing is included in this quote. Our referencing is **LINEAR ONLY**, identifying the limits of and changes in the striping details present prior to obliteration. Contractor is required to comply with Section 39-6.01 of the 2006 Standard Specifications (39-1.11 of the 2010 S.S.). Field Layout due to the misplacement of paving seams is at the prime Contractor's expense (Extra Work Force Account). Mobilization for referencing will not be considered a move-in.

- This quote includes removal of tabs (not half tracks) placed on center and lane lines only (excludes any locations where delineators can be used). This applies only to a single set of tabs properly placed at approximately 24' on center.
- Message Boards are not included in this quote, and are to be provided by Contractor per contract requirements.
- A minimum of fifteen (15) working days advance notice is required for referencing and for each mobilization.
- We require exclusive access to the roadway without obstacles and the ability to begin work upon arrival at the job-site. Delays caused by conflicts in scheduling are the responsibility of the Contractor and are subject to standby time computed as labor in section 9-1.03A of the Standard Specifications.
- This quotation is valid for a period of sixty (60) calendar days from the date of issue and may be extended at the sole discretion of Safety Striping Service, Inc.
- Safety Striping carries \$1 million in GL (\$2 million GA); \$1 million in Auto; \$1 million in Work Comp.
