GENERAL NOTES, TERMS & CONDITIONS - Please read carefully

- **Acknowledgement & Agreement:** By appointing or listing Force Traffic Control as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.
- **Durability of Rates Quoted Above:** Based upon the Advertisement Date of this project, all labor rates quoted above shall remain in effect through June 30, 2017. Should the State of California increase the applicable rates for work on this project thereafter, our rates above will increase by no more than 5% more than the State's net increase.
- **Radios:** Our flaggers and pilot car(s) will be equipped with VHF or UHF 2-way radios. Additionally, pilot cars are equipped with CB radios for coordination with your truckers and other CB-equipped equipment.
- **Rental equipment** (excludes non-powered devices): For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff.
- **Night Work:** (a) No increase is applicable to any labor rates quoted above; (b) All added costs associated with illuminating the flaggers stations shall be borne by the Prime Contractor; (c) we will provide the two required 12" flashing beacons at $6 each per shift.
- **Labor Agreements:** Signatory to the AGC-No. California Laborers' Traffic Control & Lane Closure Agreement. ✓
- **Insurance:** Force Traffic Control, Inc. maintains insurance coverages as required by USDOT-FHWA, CalTrans and Nevada DOT (Commercial General Liability, Workers Comp and Commercial Auto). Any additional coverages required by the Prime Contractor can be acquired by us at the Prime Contractor's sole per-value expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).
- **Mobilization:** For this project our initial advance notice requirements are 21 calendar days for USA-locate and installation of Construction Area Signs, and 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.
- **Inclusion of these entire quotations in Subcontract or Work Order** is required either within the body of the Subcontracts/Work Orders or appendixed to and referenced within the Subcontracts/Work Orders. Such inclusion and /or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.
- **Short-Work week:** Excluding beginning and end of project if work crews are worked less than three consecutive work days an additional charge of 10% may be added to rates above.

Should you have any questions regarding these quotations, please call Vern at 559.786.9856.

TERMS AND CONDITIONS:

1. This quote and attached terms and conditions must become a binding part of any sub-contract.
2. A purchase order and 10 working days notice must be given prior to start of work. This quote shall remain valid for 30 days from date of actual bid opening, unless otherwise agreed upon.
3. TERMS: Due and payable within 30 days from date of installation and/or as per Business and Professional code 7108.5 and Public contract code 10262.5 (for progress payments) and/or as per Public contract Code 7107 (for retention due).
4. All change orders must be approved by agency/owner prior to work being performed by Veridico.
5. Excludes any insurance requirements in excess of Caltrans Standard Specifications. Additional insured and/or waiver of subrogation requests will be an added cost.
6. Splitting offered bid item quotes **may be considered**. Please call Tim Anenson at (707) 317-0002 to discuss splitting the bid item quotes prior to the Caltrans submittal deadline.

ASSUMPTIONS:

1. **Work Area Monitoring** will be conducted under the direction of a Certified Industrial Hygienist (CIH). All travel, perdiem, materials, supplies and laboratory costs are included in the daily rate. Reports will be prepared and signed by a CIH as called for in the Special Provisions.
2. Veridico assumes that lead will be the only analyte for airborne monitoring.
3. Veridico assumes a MINIMUM monitoring duration of ten (10) days. The Prime Contractor can multiply the daily Work Area Monitoring rate of $1,895.00 per day by the actual activity days to calculate a lump sum total for the project if more than ten (10) days. A mobilization charge of $550.00 will be charged for each mobilization to the site for non-consecutive monitoring events.
4. If the Prime Contractor prefers to monitor airborne lead concentrations with internal resources beyond the ten (10) day period that Veridico would be on site for the work a weekly consulting rate of $1,250.00 would be required to provide training, equipment, analyses, and oversight and reporting by a CIH.
5. Job Site Management assumes a project duration of 190 days (field work), or 38 weeks of on-site field work.

38 weeks x $275.00/week = $10,450.00

This is a weekly rate for Veridico to document required WPCP compliance by completing Caltrans forms 2030 and 2023 by a QSD/P. Veridico will work with your field staff to assess site conditions each week; no site visits are included. Pre-, during and post-rain event site inspections are not included but will be billed at the Job Site Management rate if required.

6. No other plans, reports, monitoring or permits are included.
7. Contractor to provide completed SWPPP questionnaire (supplied by Veridico upon notice of award) prior to start of work.
8. The SWPPP and the LCPs include one (1) revision for the quoted bid. Additional revisions will be billed at $125.00 per hour.
9. The Prime Contractor will be responsible for providing a list of businesses and residences within 100 feet and corresponding addresses for the Public Safety Plan notification letters. Veridico will supply the notification letter template.
10. Print-ready electronic draft and final copies of plans and/or reports will be provided so hard copies can be produced; no hard copies will be provided by Veridico.

Veridico is a certified DBE contractor (No. 39572) with a number of associates that have supported Caltrans projects for many years. We have the necessary certified personnel to support your efforts on this project and we look forward to providing you our highest level of project support. Please don't hesitate to contact me directly at (707) 317-0002 or at tim.anenson@veridicogroup.com if we can provide anything further.
