Dear Contractor:

Your bid was opened on August 13, 2013 to remove and replace existing concrete on State Route 12 at Mokelumne River Bridge.

Four bids were received for this project. The low bid is 48.13 percent above the Engineer's Estimate and exceeds available funding. The Department has decided to reject all bids. The scope of the work and the funding will be reevaluated and the project will be re-advertised at a later date.

We apologize for any inconvenience this has caused.

Sincerely,

A handwritten signature in black ink, appearing to read "John McMILLAN".
