Dear Mr. Bross:

The Department of Transportation (Caltrans) received a bid submitted by Chester Bross Construction Company (Chester Bross) for Contract 10-0V9004 on April 29, 2015. By this letter Caltrans notifies Chester Bross Construction Company that it is rescinding the nonresponsive bid finding, because it failed to properly submit the Subcontractor List form.

The 2010 Revised Standard Specifications, Section 2-1.10, Subcontractor List form states in part...

4. Portion of work it will perform. Show the portion of the work by:
 - 4.1. Bid item numbers for the subcontracted work
 - 4.2. Percentage of the subcontracted work for each bid item listed
 - 4.3. Description of the subcontracted work if the percentage of the bid item listed is less than 100 percent.

Caltrans confirms that Chester Bross provided bid item numbers in lieu of the written description of work for all items being subcontracted. While this is a deviation from the bidding instructions, it is immaterial to the bid and can therefore be waived by Caltrans.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, provided that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
