Dear Mr. Johnson:

The Department of Transportation received a bid from Danco Builders Northwest (Danco) for contract 10-0X2104 on December 11, 2013. By this letter, Caltrans notifies Danco that its bid is nonresponsive because it failed to properly submit the Subcontractor List.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid." Danco failed to submit the bid item numbers and percent of bid item subcontracted as required in columns 2 and 3.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
