Mr. McMillan,

Please consider this letter our bid protest of the responsiveness and award of the referenced contract to Midstate Barrier, Inc (MBI). Based on the information provided in this letter MBI's bid should be found nonresponsive.

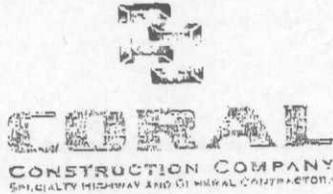

MBI's subcontractor listing did include the percentages of work each subcontractor will be performing. Since this information is required their bid should be considered nonresponsive.

Please call with any questions or if you require additional information.

Thank you,
