Surcharges

Travel Rate: \$ 85.00 per hour to and from project locations

*We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable for any back charges, surcharges, and or costs related to delays. If dispatched equipment/driver is not able to perform on scheduled day and client is provided notice of the same, unless such circumstances exist that render such notice impossible, client will be responsible for acquiring a replacement. Client agrees to assume any and all liability for delay due to this circumstance. This clause remains in effect from the date of this proposal. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) The parties agree that the contents herein are deemed a proposal and if the contract is awarded to Wells Sweeping, at which time the terms and conditions stated herein become binding. *Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Sincerely,

Aaron D. Ashcraft

*We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable for any back charges, surcharges, and or costs related to delays. If dispatched equipment/driver is not able to perform on scheduled day and client is provided notice of the same, unless such circumstances exist that render such notice impossible, client will be responsible for acquiring a replacement. Client agrees to assume any and all liability for delay due to this circumstance. This clause remains in effect from the date of this proposal. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) The parties agree that the contents herein are deemed a proposal until the contract is awarded to Wells Sweeping, at which time the terms and conditions stated herein become binding. *Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Sincerely,

QUOTE TERMS AND CONDITIONS

THIS AND ALL BUTTE SAND TRUCKING CO (SELLER) QUOTES ARE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

1. The customer (Buyer) must submit to Butte Sand Trucking Co. (Seller) a signed Quote or P.O. within 10 days of the project award or within 30 days of the quote, whichever is earlier, to secure the quoted price. The buyer will pay for any increase in the cost of production due to the buyer not providing a signed Quote or P.O. within 10 days of project award or within 30 days of the quote, whichever is earlier.
2. Butte Sand Trucking Co. strongly recommends a minimum of 3 weeks notice for scheduling of the plants for timely delivery of material.
3. For any credit purchases, unless otherwise agreed to in writing signed by an authorized person on behalf of Seller varying such terms, payment shall be 10th prox. That is to say, payment in full for all credit purchases made during the billing month is due by the 10th of the following month.
4. Retention of any percentage of Seller's billing is not permitted.
5. Buyer shall pay Seller (not as a penalty, but as liquidated damages based on the impracticality of fixing actual damages) a charge on all amounts not paid when due computed at a periodic rate of one and one-half (1½) percent per month (which is an annual percentage rate of 18%) or at the maximum rate permitted by law in the event such rate is lower.
6. Buyer agrees to pay all Seller's reasonable attorney's fees and collection costs in collecting amounts not paid when due, whether or not a lawsuit is filed and whether or not the lawsuit is pursued to judgment before Buyer pays off the indebtedness.
7. If and to the extent any purchase order from Buyer to Seller should contain any terms at variance with these terms, the terms set forth herein shall be changed only if and to the extent actually agreed to in writing and signed by an authorized person on behalf of Seller.
8. In the event a check is given as payment on account or in connection with any purchase, whether or not a sale on credit, and such check, upon deposit or negotiation, is not promptly honored by the bank upon which drawn, the provisions of paragraphs 3 and 4 shall be applicable in regard to the indebtedness represented by the check. Nothing herein shall be deemed to be an approval for Buyer to give a check that does not clear the bank upon which it is drawn. Buyer also agrees to pay a service charge of \$25.00 for any check that fails promptly to clear Buyer's bank upon presentation.
9. Buyer agrees fully and promptly to furnish Seller information needed or requested by Seller for proper filling out and service of a preliminary twenty-day notice under the mechanics' lien laws.
10. Buyer shall remain obligated by all terms and provisions of this Quote in regard to all purchases made until such time as Seller shall receive from Buyer written notice of revocation and/or change in status. In order to be effective, such notice must be mailed by certified or registered first class mail to Butte Sand Trucking Co., P.O. Box 749, Sutter, CA 95982. Notice of revocation and/or change in status shall not in any way relieve Buyer from liability for any obligation or indebtedness incurred prior to the actual receipt by Seller of such notice sent in the prescribed manner. Receipt by Seller of a check or checks showing a different name than the name on the account shall not constitute written notice of a change in status.
11. This Quote is submitted by Buyer to Seller at Seller's place of business in Sutter, California and shall be deemed to have been entered into in Sutter, California. All payments by Buyer shall be made to Seller at its place of business in Sutter, California.
12. This quote is subject to the credit approval of the Buyer by the Seller. Seller, or any credit bureau or other investigative agency employed by Seller, is authorized to investigate any reference or information listed on the credit application, or statements or other data obtained from Buyer or any other person pertaining to the Buyer's credit and financial responsibility.
13. Seller reserves the right to approve or refuse credit on an individual sales or project by project basis at Seller's discretion.
14. A FUEL SURCHARGE may apply in the case of rapidly escalating fuel costs. If a FUEL SURCHARGE is implemented, it will adjust once per week on Monday. Unless Buyer shall give written notice to Seller of any non-conformity of the goods to express warranties and specifications within 10 days of receipt and, in any event, prior to use, resale or commingling with goods of the like kind, any non-conformity or breach of express warranties is waived.
5. If Buyer claims breach of warranty, Buyer shall permit Seller to examine and test the goods. Buyer's exclusive remedy for breach of any warranty shall be, at the option of Seller, replacement of the non-conforming goods f.o.b. delivery point, or the cost to replace the non-conforming goods f.o.b. delivery point or a refund of the purchase price paid for the goods. Seller's liability for any other breach of this agreement shall be limited to the difference between the market price of the goods described herein, f.o.b. delivery point, and the price set forth in this agreement. Seller shall not be liable for any delay, loss of profits, additional expense, claims of third parties, or any other special, incidental or consequential damages of Buyer arising from breach of this agreement, breach of warranty, negligence, strict liability or any other cause. Buyer acknowledges that but for such agreement regarding the limitation of damages, the price of the goods would be higher.
