Project: CONTRACT 10-1C9904, Bid Opening Date: April 6, 2016
Re: Correction of Clerical Error

Dear Mr. Fefevere,

On April 6, 2016, I submitted a bid for Bay Cities for the above-referenced Project. As Bay Cities' estimator, I received and reviewed quotes and prepared Bay Cities' bid. I received the attached bid from Ernest B. Dee ("Dee"). Ernest B. Dee is a DBE subcontractor and submitted a bid to provide Item No. 15 (Temporary Concrete Washout) and Item 16 (Adjust Inlet) among other items of work. Based on Dee's price for the temporary concrete washout and adjust inlet work, I intended to subcontract these two items to this subcontractor. After the bid opening, I learned that Dee had provided the incorrect item number for the Temporary Concrete Washout Item in his quote. Under the Bid Schedule, the Temporary Concrete Washout is Bid Item #7. Item No. 15 is actually Adjust Monument Cover. As shown by Dee's attached quote, Dee never provided any quote for adjusting monument covers. Under Public Contract Code § 4107.5, Bay Cities is notifying Caltrans of this inadvertent error and requesting that Dee's Items of work be corrected from a listing for Item No. 15 to Item No. 7. We are contemporaneously providing a copy of this notice to Dee. Upon award, Bay Cities intends to subcontract the work of Item No. 7 and 16 to Dee. Should you have any questions concerning this request, please call me.

Sincerely,

Russ Olney
Estimator
