Dear Mr. Yum:

The Department of Transportation (Caltrans) is rescinding its letter, dated September 24, 2014, finding ACCU Construction, Inc. (ACCU) bid on contract 11-080174 non-responsive because it failed to properly submit the Disadvantage Business Enterprise (DBE) Commitment form.

Upon further review, ACCU erred when filling out its DBE commitment form and did not indicate that it would be performing bid items 17-47 with its own forces. Caltrans agrees to accept the bid on the basis that this is a clerical error; and the error does not materially change the bid and as such, can be waived by Caltrans.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".
