RE: Disabled Veterans Business Enterprise (DVBE) number 1568820

Dear Mr. Rossovich:

This letter is regarding the review conducted by the Department of Transportation (Caltrans) Contract Evaluation Unit (CEU) staff on February 28, 2012. Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when acquiring the following types of products on Caltrans projects:

Classification Number	Description
401421	Pipe, Other Pipe
701315	Land and soil protection, Other Land and soil protection
721532	Coating and caulking and weather water and fireproofing services
391213	Electrical boxes, enclosures, accessories
301115	Concrete and mortars, Grout

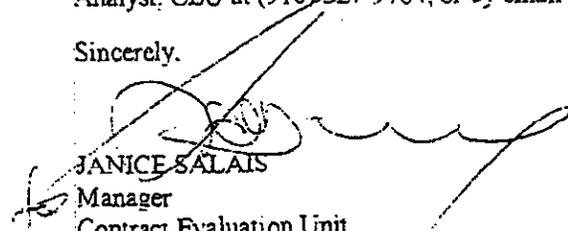

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For the remaining services listed on your DVBE certification, no documentation or evidence has been provided to demonstrate that you perform, manage or supervise the work involved.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Caltrans CEU is amiable to re-visit your firm to determine if work classifications and updated information reflect actual practices.

If you have questions or need further assistance or clarification, please contact Larry Williams Analyst, CEU at (916) 327-9784, or by email at larry_williams@dot.ca.gov.

Sincerely,

 JANICE SALAIS
