Dear Mr. Daley:

The Department of Transportation (Caltrans) received the attached letter dated October 31, 2014, from Daley Corporation (Daley) in response to a bid protest submitted by Hazard Construction Company (Hazard) and in addition, protesting the bid submitted by Hazard for Contract 11-406904. The protest alleges that Hazard's Disadvantaged Business Enterprise (DBE) Commitment form is not consistent with the Subcontractors List Form in that Loops and Crackfilling was identified on the Subcontractor's List Form to perform work described as Electrical. However, on the DBE Commitment form listed Crackfilling to perform work described as Roadside Signs.

Caltrans did not evaluate this protest as it relates to Hazard, since this project is being awarded to Daley.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,
