Dear Mr. Vogels:

The Department of Transportation (Caltrans) received a bid from Peterson-Chase General Engineering Construction, Inc. (Peterson-Chase) for contract 11-408904 on September 19, 2013. By this letter, Caltrans notifies Peterson-Chase that its bid is nonresponsive because it submitted an inconsistent Subcontractor List and DBE Commitment Form.

The DBE Commitment Form states in part "...Names of the first tier DBE subcontractors and their respective item(s) of work listed above must be consistent, where applicable, with the names and items of work in the Subcontractor List".

Peterson-Chase listed on its Subcontractor List Integrity Rebar Placers (Integrity) to perform bid item numbers 19, 21 and 28 in column 2. However, on its Disadvantaged Business Enterprise (DBE) Commitment Form, Peterson-Chase listed Integrity to perform bid items 20, 21 and 28. Caltrans was unable to determine what work was being subcontracted based on the inconsistency.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m. two business days prior to the expiration of your bid.

If you have any questions please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
