Should Contractor or State personnel require our Industrial Hygienist to hold the class at a different location, it will cost Contractor an extra \$1500.00. An alternate to these options is to have ABS Lead Foreman hold a "tail gate" class prior to removal which meets Cal-OSHA requirements of CCR 8§ 1532.1 and California Title 8 CCR (1) (1) (B).
- # Contractor must provide dump site for waste and dispose non haz-waste within contractor's normal waste mgmt. schedule
- # Abrasive Blasting Service requires a 14 business day notice prior to the start of work
- # Prime Contractor provides bond. Our bond rate is 3%
- # **Bid excludes Traffic Control, Temporary and/or Painted Markings**
- # Contractor is SOLEY responsible prior to dispatching ABS to properly notify all owners of property in the immediate vicinity for our scope of work as sandblasting, grinding and or sweeping will be performed.

Abrasive Blasting Service is signatory with the Laborers International Union of North America. All work, including equipment, shall comply with all City, County, State, 29 CFR 1926.62, Title 8/Section 1532.1 and Federal rules, regulations and all applicable codes, standards, and laws of the latest edition as specified in the codes, standards and reference specifications.

Quotation: We propose to furnish all materials, equipment, and all labor necessary to complete the work as specified and/or amended in this proposal for the sum specified above.

Lloyd Kotab, Mobile Operations Manager / Estimator

Acceptance: A.B.S. is hereby authorized to complete work as specified and/or amended in the above proposal. We agree to pay the amount quoted herein including any mobilization and or shift guarantee that is listed above for said work.
