RE: Disadvantaged Business Enterprise Certification

Dear Mr. Paredes:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
334310	Audio and Video Equipment Manufacturing
332312	Fabricated Structural Metal Manufacturing (television tower sections)

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. Should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

TERMS & CONDITIONS

Quote is provided by ADVANCED MOUNTING & DESIGN INC (Doing business as "AMD"). All quotes are valid for ninety (90) days unless otherwise specified in writing by a sales representative.

Parties: These terms represent the agreement ("agreement") that governs the purchase of products and services from advanced mounting and design entity identified as ("AMD") and by Customer entity identified below ("customer").

Orders: "Orders" means the accepted order

Order Arrangements: Customer may place orders with AMD by sending a valid purchase order via, fax, mail, or email. Orders must reference a quote number. Secondary option accepting the quote is by signing and dating anywhere on the quote.

Prices: Prices must be quoted in writing. Prices are exclusive of taxes, duties, and fees (including installation, shipping, and handling) unless otherwise quoted

Approval Drawing: AMD will provide preliminary drawings or sign off drawing for customer's approval. Production will not be scheduled unless AMD receives written approval on the design. AMD performs a factory certified test (FCT) for every project (refer to Factory test for more details). During the factory test, AMD reserves the right to confirm or change the design based on the test results. Customer will be notified if any change occurs.

Production and product lead-time: Lead Time starts upon receipt of following items:

- a. Purchase order
- b. Approval drawing (signed copy of approval design)
- c. 50% deposit or payment terms stated on the quote

(FAIL TO COMPLETE ANY OF THESE STEPS WILL RESULT IN PRODUCTION DELAYS)

Payment: Customer agrees to pay all invoiced amounts within the specified terms. Terms of sale for credit approved (USA) customers are 50% deposit with order and 50% net 30. Terms of sale for ALL NEW & international customers are 50% Deposit with order, and remaining 50% prior shipment. Unless otherwise stated. Any exception to the payment terms stated above must be requested in writing prior to an order being processed for it to be considered.

Payment Method: Check, wire transfer and most major credit cards (Visa, AMX, MasterCard).

Cancelation: Any orders cancelled by the purchaser after the receipt of sign off and deposit will be subject to a 50% cancellation fee.

Change Orders: Any change done or requested after approval of design will be considered a "change order" and is subject to additional fees.

Freight and Delivery: Freight quotes are all estimates. All sales are (FOB Santa Ana, CA) unless otherwise noted. If Shipping and Handling Charges are quoted or invoiced, they will include charges in addition to actual freight costs. Delivery of the goods to the carrier at AMD's shipping point shall constitute delivery to the customer and the customer shall bear all risk of loss or damage in transit. A claim should be initiated by the customer to the freight carrier in the vent of loss or damages. AMD reserves the right to make delivery in installments, all such installments to be separately invoiced and paid for when due per invoice, without regard to subsequent deliveries. Delay in delivery of any installment shall not relieve Buyer of Buyer's obligations to accept remaining deliveries

Claims, and Delays: Immediately upon customer's receipt of any goods shipped hereunder, Customer shall inspect the same and shall notify AMD in writing of any claims for shortages, defects or damages and shall hold the goods for AMD written instructions concerning disposition. If customer shall fail to so notify AMD within five days after customer has received the goods, such goods shall conclusively be deemed to conform to the terms and conditions hereof and to have been irrevocably accepted by the customer.

AMD shall not be liable for any loss, damage or penalty as a result of any delay in or failure to manufacture, deliver or otherwise perform hereunder due to any cause beyond AMD's reasonable control, including, without limitation, unsuccessful reactions, act of customer, embargo or other governmental act, regulation or request affecting the conduct of customer's business, fire, explosion, accident, theft, vandalism, riot, acts of war, strikes or other labor difficulties, lightning, flood, windstorm or other acts of God, delay in transportation, or inability to obtain necessary labor, fuel, materials, supplies or power at current prices.

Storage: Once orders are completed and customer cannot take possession of the goods. AMD will store the goods for a maximum of one week or five business days at no cost. Any additional time will be billed as storage fee bi-weekly. Customer will be responsible for any storage fees. (Unless otherwise noted in writing by AMD representative).

Installations: IF quoted: Installation includes: AMD screens, glass and mounting solutions, mounting and alignment of the displays. Installation excludes: Ladders, Gene or scissor lift. General Construction, Electrical of high or low voltage, speakers, color balancing and any other Audio Visual installation (Equipment and electronics are provided by the customer). At the time of the installation, customer agrees to have all products ready in the room where product is to be installed.

Factory Certified Test (FCT) AMD guarantees factory test of all of our products, documents and photos are available upon customer's request. Some orders cannot be tested unless AMD receives the displays in Santa Ana, CA location. There might be a need for a single or multiple displays. All shipping charges inbound and outbound are responsibility of the customer. Examples of the displays needed during AMD testing are but not limited: Projectors, Monitors with integrated mount and Christie Micro Tiles[®]

One (1) Warranty: Our Warranty does not cover damages due to misuse, negligence or accidents, or damages due to installation, technicians-Damages due to repairs or adjustments not specifically authorized by AMD are not covered. Warranty applies only to the original purchaser at the initial installation point in the country of purchase otherwise specified in the sales contract. Wear and tear is not part of this warranty. Defected products shall be brought to AMD for repairs or replacements. Customer is responsible for all shipping cost on returns items.

Hi Will,

We have received the RFP for the Caltrans 12 TMC and it has a very large structure for the video wall that I believe RPV was involved with in the past.

This has a large DBE component and would like to bid this with you. Structure is probably \$300k-500k

Let me know if you want to bid. (I think I know the answer). It will take a lot of prelim drawings.

Will,

I have compiled the structure portion of the drawing set for Caltrans D12, to include the drawings Draper did a few months ago. You are the only person to get this set, so please keep it under your hat.

Please review and let us know if we need to discuss as we move forward to get our quote together. Take care and talk to you later.
