In the Special Provisions, Section 5-1.13, "PAYMENTS," the following paragraphs are added as follows:

"For the contract item of Plant Establishment the Department has determined that the amount of \$390,000 shall be considered to be the value of the contract item for the purpose of calculating contract retention pursuant to Public Contract Code section 10261.

If the amount bid is less than the value, the payments for all work performed prior to start of plant establishment will be reduced by the difference between the amount bid for plant establishment and the value specified.
