To make multiple choices in each box, press "Ctrl" button on your keyboard and click to make your selections

You can "Search" for specific projects based on "District", "Cost range", and "Type of work"

After you complete your selections, click here to see the results

You may register on this webpage to be notified each time changes occur.

The screenshot shows a Microsoft Internet Explorer browser window displaying the Caltrans website. The address bar shows the URL: <http://10.160.206.214/proprj/index.php?action=register>. The page header includes the Caltrans logo, navigation links (Home, Travel, Business, Engineering, News, Maps, Jobs, About Caltrans, Contact Us), and a search bar. A blue arrow points from the text above to the 'Register' link in the top right navigation area.

The main content area features a section titled 'Welcome to Caltrans Proposed Projects' with the following text: 'This page allows you to register an account with this site. Registration is optional and all projects can be viewed without registration. Registration allows you to do the following: Receive emails when projects are added, removed, or modified in specified districts. Automatically filter the projects by district. Specify the format you want projects exported in.' Below this is a registration form with fields for 'Email Address' and 'Password', and a 'Submit Registration' button. A blue arrow points from the text above to the 'Register' link. Two blue arrows point from the text 'To register, input your email, choose a password, and' to the 'Email Address' and 'Password' fields respectively. A third blue arrow points from the text 'Click here to complete your registration' to the 'Submit Registration' button.

At the bottom of the page, there are links for 'Main Page | Search', 'Back to Top | Contact Us | Site Map', and 'Conditions of Use | Privacy Policy'. The Windows taskbar at the bottom shows the system clock at 3:25 PM and the address bar with <http://www.abidjan.net/>.

Click "Main Page" anytime to return to the projects list page
