

Summary of Aviation Legislation in California

Updated by: Caltrans, Division of Aeronautics

On April 5, 2010
2009-10 Regular Session

A short summary of each bill is provided below. Read the bill's full text plus analysis at the official website for California legislative information at < www.leginfo.ca.gov > Click "Bill Information" and Search for the bill number.

Bill Number & Author	Subject	1 st Policy	1 st Fiscal	1 st Floor	2 nd Policy	2 nd Fiscal	2 nd Floor	Gov. Desk
AB 1660 (Salas)	Emergency Aircraft Flights	3/22/10	n/a	3/5/10				
SB 1141 (McLeod)	Airport Land Use Commissions	4/07/10						
Color Code: Yellow indicates upcoming hearing/vote and date; Green indicates passage; Red check indicates Governor's signature.								

AB 1660, Assembly Member Salas-Chula Vista , District 79 (*Emergency Aircraft Flights*)
This bill would amend Public Utilities Code (PUC) regarding emergency aircraft flights. Such flights are exempt in the PUC from adopted local ordinances with respect to the time of day they fly, their noise signature and aircraft type. This bill would extend the local ordinance exemption to the so called non-emergency flight back to the aircraft's operational base.

The Latest -- This bill passed out of the Assembly Committee on Transportation and was added to the Consent Calendar to be read on the Assembly Floor. The bill has not been amended.

SB 1141, *Senator Negrete McLeod-Chino, District 32 (Airports: airport land use commissions)*
Amendments to this bill would prevent public entities in counties without an Airport Land Use Commission (ALUC) from receiving grants from the Aeronautics Account. Some exceptions apply. SB 1141 would allow the Division of Aeronautics to establish a fund that has as its sole purpose, providing funds for ALUC start-up costs.

The Latest -- This bill was amended on 3-24-10. It has been referred to the Senate Committee on Local Government where it is scheduled for a hearing on April 7, 2010, in Room 112, at 9:30 a.m.

AB 2173, *Assembly Member Beall-San Jose, District 24 (Emergency Air Medical Transportation Providers)*

This bill provides for increased Medi-Cal funding of emergency air ambulance transportation by imposing a \$3 fee on each motor vehicle violation in California, with the exception of parking violations.

The Latest -- This bill was introduced on February 19, 2010, and has not been amended. It has been referred to the Assembly Committee on Health where it will be heard in Room 4202, on April 13, 2010, at 1:30 p.m.

SB 1264, *Assembly Member Leno-San Francisco/San Rafael, District 03 (Commercial airlines: passenger rights)*

This bill would require passengers on planes that are delayed by three hours or more to be provided with fresh air, light, aircraft waste removal, and adequate food, water and other refreshment. Passenger air carriers would also be required to provide clear notification regarding consumer complaint contact information.

The Latest -- This bill was introduced on 2/19/10, and has not been amended. It has been referred to the Senate Committee on Transportation and Housing.

AB 1272, *Assembly Member Hill-San Mateo, District 19 (Emergency medical services: trauma center)*

This bill relates to the Emergency Medical Services System and designated trauma centers. As local services plan their systems they will be required to include air transportation of trauma patients to, and between trauma centers. This bill no longer specifically refers to helicopter landing pads and the permitting process, the Aeronautics Act or CEQA as was called for in previous versions.

The Latest -- 1/20/10 This bill was re-referred to the Committee on Health but was not heard by them by the time committee hearings closed last year.

Philip Crimmins, Associate Transportation Planner 916-654-6223
