comments: G1: IMPROVE MULTIMODAL
MOBILITY AND ACCESSIBILITY
FOR ALL PEOPLE

Transit and Active Transportation
(Bicycling and Walking)

Do not conflate recreational facilities that fail to provide 24-hour, year-round active transportation with utilitarian walking or bicycling facilities on which people can rely to meet their transportation needs. For transportation funding eligibility, require that non-motorized facilities have law enforcement patrol, maintenance, and days and hours of operation comparable to neighboring facilities that accommodate motor vehicles.
