welcome

Caltrans has developed this web portal to connect with transportation users throughout the State - from San Diego to Yreka and everywhere in between. We want this portal to be a dynamic, educational tool that highlights California's critical transportation issues and gives you the chance to tell us what you think about transportation in our great State. We hope you visit this site often, and that you subscribe to our email updates and RSS feed to keep up with what's new.

CTP 2035 Survey

Please take a few minutes and complete our [survey on the policy framework](#) for the California Transportation Plan 2035. Your responses and comments will provide valuable feedback on the goals, policies and concepts that are proposed for the plan. *(Only 112 people have taken the survey. Deadline to include your thoughts is December 1, 2009!)*

Workshops

Public workshops **originally scheduled to take place around the State in September/October have now been postponed until February/March 2010**. This is due to the incorporation of a new Interregional Blueprints initiative into the California Transportation Plan 2035.

Please stay tuned to this Web Portal for more information!
