TRAFFIC CONGESTION RELIEF (TCR) PROGRAM
APPLICATION AMENDMENT APPROVAL

RESOLUTION TA-01-02, AMENDING RESOLUTION TA-00-03

At the January 18-19, 2001 California Transportation Commission (Commission) meeting, the Commission will be asked to consider an Application Amendment from the City of South Pasadena for the Pasadena Blue Line Transit-Oriented Mixed-Use Development project. This project application was originally approved by the Commission at the December 2000 meeting for \$1,500,000 to purchase right of way for the parking structure associated with the overall mixed-use development project.

The City of South Pasadena is proposing to amend the application to revise the previously approved scope. The fact sheet describing the revised scope will be made available prior to the meeting.
