APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING

ROUTE 1 IN LOS ANGELES COUNTY

RECOMMENDATION

The Department recommends that the California Transportation Commission, as a responsible agency, approve the attached Resolution E-01-13.

SUMMARY AND CONCLUSIONS

This resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration has been completed:

- Route 1 in Los Angeles County– Widen Lincoln Boulevard between La Tijera and Hughes Terrace in the community of Westchester.

The project is programmed in the 2000 State Transportation Improvement Program (STIP) as part of the Grandfathered Regional Improvement Program (G-RIP) for construction in the 2001/02 fiscal year at \$2.0 million. The current capital cost estimate for the project is \$2.9 million. The estimated additional \$0.9 million needed for construction is expected to be funded in the next Los Angeles Metropolitan Transportation Authority call for projects. The support cost for the project is grandfathered under Senate Bill (SB) 45.

The Negative Declaration and supporting Initial Study has been transmitted to Commission staff.

The Department has approved the project for construction. This approval and the resulting filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
