ALLOCATION OF FUNDS FOR LOCAL ASSISTANCE 2000-01 FISCAL YEAR

RESOLUTION FM-00-06, AMENDING FM-00-05

RECOMMENDATION

The Department of Transportation recommends the California Transportation Commission approve the following Resolution.

FINANCIAL RESOLUTION

Resolved, that \$402,700 be allocated from 2000 Budget Act Item 2660-105-0046 for Local Assistance.

SUMMARY AND CONCLUSIONS

This increases funding for the Bay Area Ferry Operations Program. This funding is to replace toll funding which the Bay Area Transit Authority previously used for this program. This funding change is required as part of our effort to secure Federal funding for rehabilitation projects on our Toll Bridges. If Federal Funds are used for toll bridge projects, tolls collected on those bridges can not be used for any purpose other than the rehabilitation and maintenance of the bridges.
