REPORT ON STORM WATER RUN-OFF COMPLIANCE

SUMMARY

Gary Winters, Acting Chief of the Environmental Analysis Division, will be giving a presentation on the Department's compliance with the Federal Clean Water Act and the related storm water discharge regulations. The presentation will cover Department's storm water compliance goals; the Department's Statewide Storm Water Management Plan (SWMP) and its preliminary impacts on the Department's activities; Best Management Practices (BMP's) to meet permit requirements; and Total Maximum Daily Limit (TMDL) requirements for storm water discharges in the Los Angeles basin.
