STIP AMENDMENT 98S-107 - ACTION

ACTION UPDATE FROM NOTICE

This item was noticed at the February 2000 Commission meeting. The amendment is presented for action as originally proposed except for a change in the project sponsor from Caltrans to the City of San Jose.

SUMMARY

This amendment advances \$18,000,000 in state-only funds from the Interregional Improvement Program (IIP) for the new State Route 101/Bailey Avenue Interchange project to access the Coyote Valley Campus Industrial Area in the City of San Jose. Construction is scheduled for FY 2000-01.

RECOMMENDATION

The Department is requesting this amendment.

RESOLUTION

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) at the end of the 30 day notice period as follows:

Adds:

| Project Information | | | | | | | | |

July 19-20, 2000

BACKGROUND

This amendment advances \$18,000,000 in state-only funds from the Interregional Improvement Program (IIP) for the new State Route 101/Bailey Avenue Interchange project to access the Coyote Valley Campus Industrial Area in the City of San Jose. Construction is scheduled for FY 2000-01.

A series of transportation improvement projects in Santa Clara County are of paramount importance for the successful economic development of the Coyote Valley Campus Industrial Area which is projected to generate 20,000 new jobs that will contribute to the continued growth of California's strong economy. Representatives from the City of San Jose and the Santa Clara Valley Transportation Authority (VTA) have proposed joint state and local funding for these transportation improvements. These improvements include development of a new interchange at Bailey Avenue on State Route 101, improvements to the Bailey Avenue connection with Monterey Road, and Caltrain improvements at Bailey Avenue.

In order to begin construction by Fall of 2000 and provide full funding, a partnering effort between the City of San Jose, Caltrain, Union Pacific Railroad (UPRR), and Caltrans is underway. A cooperative agreement with the City of San Jose covering project responsibilities will be executed prior to project advertising.

The total cost for the combined projects has been estimated at \$50,000,000: \$22,500,000 in local funds from the City of San Jose; \$18,000,000 in IIP state-only funds; \$4,500,000 in VTA local funds; and \$5,000,000 from the Governor's proposed FY 2000-01 Budget for the Caltrain improvements.
