DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR LOCAL STORM DAMAGE
AND LOCAL STREET AND ROAD PAVEMENT REHABILITATION PROJECTS
RESOLUTION G-01-04 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-01-04 for Local Streets and Roads Pavement Rehabilitation projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation and to begin work earlier if the project or component is ready for implementation one year earlier.

These Local Streets and Roads Pavement Rehabilitation projects are included in the adopted State Transportation Improvement Program (STIP).

SUMMARY

Pursuant to the authority granted by Resolution G-01-04, the Department made 76 separate allocations totaling \$29,230,000, for 75 Local Streets and Roads Pavement Rehabilitation projects. Pursuant to the authority for advancing the allocation by two years, there were 16 allocations made during this report period, totaling \$8,578,000, for 16 projects or project components scheduled for implementation in Fiscal Years (FY) 01-02 and 02-03.
