DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RIDESHARE PROJECTS
RESOLUTION G-01-07 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-01-07 for Rideshare projects programmed in the State Transportation Improvement Program (STIP). In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation.

These Rideshare projects are included in the adopted STIP. The Department reports allocations on a monthly basis consistent with Resolution G-01-07.

SUMMARY

Pursuant to the authority granted by Resolution G-01-07, since the last report the Department made seven allocations, totaling \$4,705,000 for seven Rideshare projects. Pursuant to the authority for advancing the allocation by two years, five of the allocations made during this report period, totaling \$3,895,000, were for projects scheduled for implementation in Fiscal Years (FY) 01-02 or 02-03. Information about the allocations is attached.
