BACKGROUND

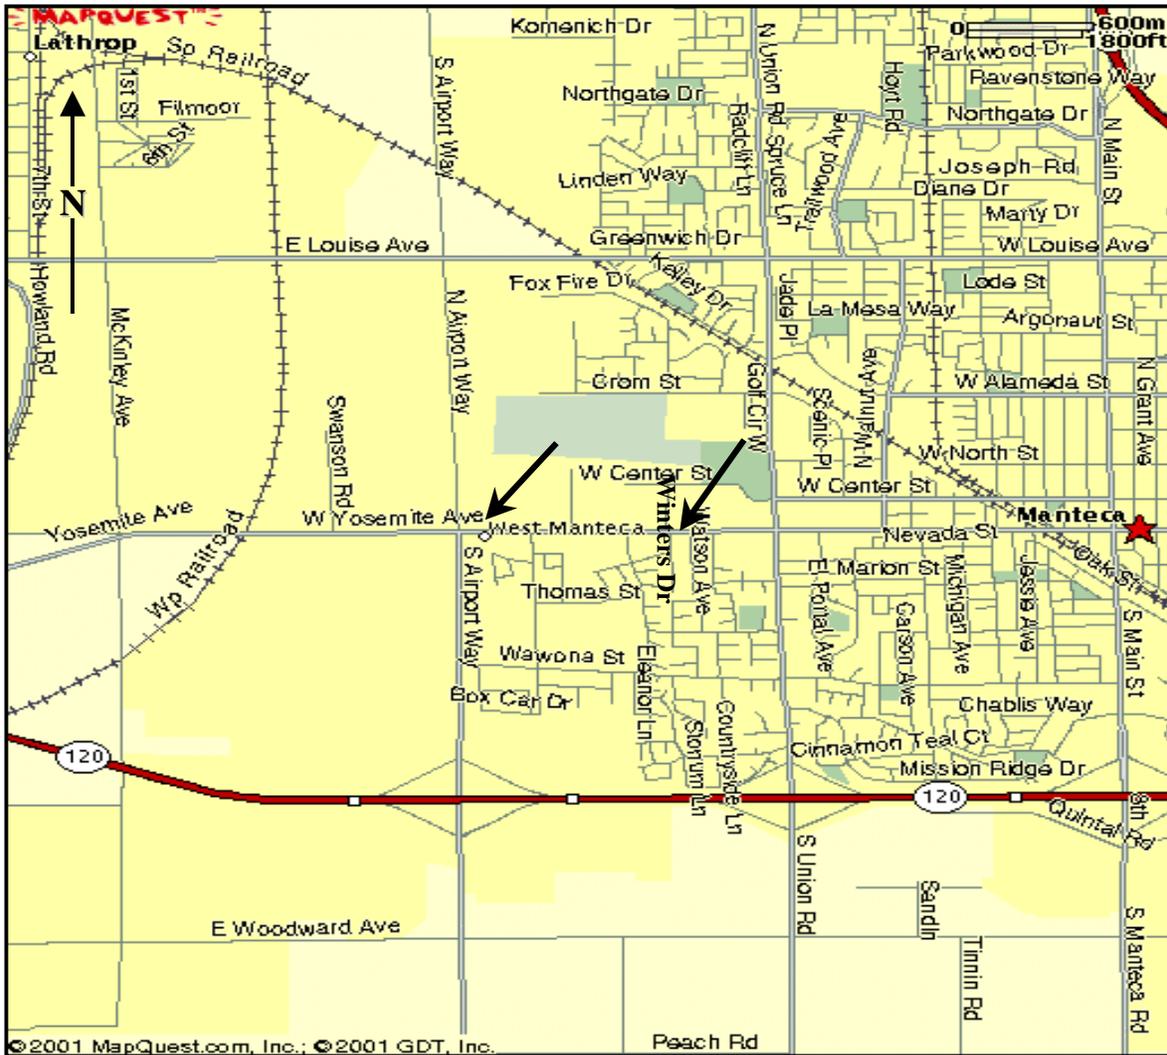

This amendment programs \$206,000 from San Joaquin County's Unprogrammed Share Balance in FY 2001-02 for a rehabilitation project on West Yosemite Avenue in the City of Manteca. The PS&E phase of this project is being funded with local funds, for a total project cost of \$210,000.

This rehabilitation project will improve West Yosemite Avenue consistent with the City's Pavement Management System. The concrete roadway under the existing asphalt pavement is failing and this project will reseat the concrete slabs and provide another asphalt overlay.
