DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RIDESHARE PROJECTS
RESOLUTION G-01-07 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-07 for Rideshare projects programmed in the State Transportation Improvement Program (STIP). In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation.

These Rideshare projects are included in the adopted STIP. The Department reports allocations on a monthly basis consistent with Resolution G-01-07.

SUMMARY

Pursuant to the authority granted by Resolution G-01-07, since the last report the Department made four allocations, totaling \$930,000 for four Rideshare projects. None of these allocations were made subject to the provisions of AB 872.

Of the four allocations, two allocations totaling \$645,000, for two projects were made during Fiscal Year (FY) 2000/2001 (Attachment I). Pursuant to the authority for advancing the allocation by two years, both of the allocations made were for projects scheduled for implementation in FY 2001-2002.

The two remaining allocations totaling \$285,000, were made during Fiscal Year 2001/2002 for two projects (Attachment II). There were no advance allocations.
