**RESOLUTION G-00-10**

**INFORMATION**

**BACKGROUND**

On March 30, 2000, the California Transportation Commission approved Resolution G-00-10 which delegated to the Department authority to allocate funds for SHOPP rehabilitation projects. This authority allows the Department to begin work on a project without waiting for the next CTC meeting to receive an allocation.

The Department has complied with the National Environmental Policy Act and the California Environmental Quality Act requirements in preparing these projects.

These major construction projects are included in the adopted State Highway Operation and Protection Program (SHOPP).

**SUMMARY AND CONCLUSIONS**

Pursuant to the authority granted by Resolution G-00-10, \$8,686,000 in State and federal funds were allocated for three (3) SHOPP rehabilitation projects.
