DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR LOCAL STORM DAMAGE
AND LOCAL STREET AND ROAD PAVEMENT REHABILITATION PROJECTS
RESOLUTION G-01-04 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-04 for Local Streets and Roads Pavement Rehabilitation projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation and to begin work earlier if the project or component is ready for implementation one year earlier.

These Local Streets and Roads Pavement Rehabilitation projects are included in the adopted State Transportation Improvement Program (STIP).

SUMMARY

Pursuant to the authority granted by Resolution G-01-04, the Department made 15 separate allocations totaling \$5,085,000, for 15 Local Streets and Roads Pavement Rehabilitation projects. None of these allocations were made subject to the provisions of AB 872, with reimbursement effective dates up to 12 months prior to the allocation dates.

Of the 15 allocations, 12 allocations for 12 projects totaling \$4,913,000, were made for projects programmed in Fiscal Year (FY) 2001-2002. Pursuant to the authority for advancing the allocation by two years, one of the 15 allocations made during this report period, totaling \$10,000, were for projects or project components scheduled for implementation in FY 2002-2003. There were no advances for projects programmed in FY 2003-2004. Two projects, totaling \$162,000, were made for projects programmed in FY 1999/2000 that received time extensions. The attached list provides details of the allocations.

As of this report, \$6,893,000 has been allocated this FY. Of this amount, \$5,443,000 is for projects programmed for the FY 2001-2002. Another \$1,288,000 is for advanced allocations from FY 2002-2003 and \$162,000 is for allocations made for projects extended from FY 1999-2000.
