DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RSTP/CMAQ MATCH RESERVE PROJECTS
RESOLUTION G-01-05 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-05 for RSTP/CMAQ Match Reserve projects programmed in the State Transportation Improvement Program (STIP). In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation.

These RSTP/CMAQ Match Reserve projects are included in the adopted STIP. The Department reports allocations on a monthly basis consistent with Resolution G-01-05.

SUMMARY

Pursuant to the authority granted by Resolution G-01-05, since the last report the Department made nine separate allocations totaling \$258,000 for nine RSTP/CMAQ Match Reserve projects. Two of these allocations were made subject to the provisions of AB 872, with reimbursement effective dates up to 12 months prior to the allocation dates.

Of the nine allocations, totaling \$258,000, all were made for projects programmed in the Fiscal Year (FY) 2001-2002. Pursuant to the authority for advancing the allocation by two years, there were no allocations made for projects or project components scheduled for implementation in FY 2002-2003 or 2003-2004. The attached list provides details of the allocations.

As of this report, \$260,000 has been allocated this FY. Of this amount, \$259,000 is for projects programmed in FY 2001-2002. Another \$1,000 is for an allocation from FY 1999-2000 that received a time extension. There have been no advance allocations this FY.
