**APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING**  
**ROUTE 50 IN YOLO COUNTY**

**SUMMARY AND CONCLUSIONS**

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration has been completed:

- Route 50 in Yolo County- Improve the Harbor Boulevard Interchange in the City of West Sacramento.

The project is programmed in the 2000 State Transportation Improvement Program (STIP) for \$0.4 million for support. The current estimate for the project is \$31.0 million (capital and support costs). The City of West Sacramento has contributed \$1.0 million to initiate design. The funding needed to complete design and right of way acquisition has been proposed for the 2002 STIP. Additional funding needed to complete the project, which is not programmed in the 2002 STIP, is expected to be programmed in future STIP cycles as funding becomes available.

The Negative Declaration and supporting Initial Study has been transmitted to Commission staff.

The Department of Transportation (Department) has approved the project for construction. This approval and the resulting filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.

**RECOMMENDATION**

The Department recommends that the California Transportation Commission, as a responsible agency, approve the attached Resolution E-02-17.
