DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR PROJECT DEVELOPMENT COMPONENTS
OF LOCAL GRANT PROJECTS
RESOLUTION G-01-03 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-03 for Project Development Components of Local Grant projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation.

These Project Development Cost projects are included in the adopted State Transportation Improvement Program (STIP). The Department reports allocations on a monthly basis consistent with Resolution G-01-03.

SUMMARY

Pursuant to the authority granted by Resolution G-01-03, the Department made 1 allocation totaling \$200,000, for project development components of 1 local grant project. No allocations were made subject to the provisions of AB 872, with reimbursement effective dates up to 12 months prior to the allocation dates.

The allocation, totaling \$200,000, was made for a project programmed in Fiscal Year (FY) 2001-2002. Pursuant to the authority for advancing the allocation by two years, no advance allocations were made during this report period for projects or project components scheduled for implementation in FY 2002-2003 or 2003-2004. The attached list provides details of the allocation.

As of this report, \$5,091,000 has been allocated this fiscal year. Of this amount, \$1,040,000 is for projects programmed in FY 2001-2002. Another \$3,803,000 is for a project programmed in FY 1999-2000 that received a time extension and \$248,000 is for a project programmed in FY 2000-2001 that received a time extension.
