DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR LOCAL STREET AND ROAD PAVEMENT
REHABILITATION PROJECTS
RESOLUTION G-01-04 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission (Commission) delegated to the Department of Transportation (Department) authority to allocate funds by Resolution G-01-04 for Local Streets and Roads Pavement Rehabilitation projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next Commission meeting to receive an allocation and to begin work earlier if the project or component is ready for implementation one year earlier.

These Local Streets and Roads Pavement Rehabilitation projects are included in the adopted State Transportation Improvement Program (STIP).

SUMMARY

Pursuant to the authority granted by Resolution G-01-04, the Department made 51 separate allocations totaling \$13,692,000, for 38 Local Streets and Roads Pavement Rehabilitation projects. Twelve of these allocations were made subject to the provisions of AB 872, with reimbursement effective dates up to 12 months prior to the allocation dates.

Of the 51 allocations, 43 allocations for 31 projects totaling \$11,884,000, were made during Fiscal Year 2000/2001 (Attachment I). Pursuant to the authority for advancing the allocation by two years, eight of the 43 allocations made during this report period, totaling \$4,148,000, were for projects or project components scheduled for implementation in Fiscal Year 2001-2002.

The eight remaining allocations were made during Fiscal Year 2001/2002 for seven projects totaling \$1,808,000 (Attachment II). Pursuant to the authority for advancing the allocation by two years, three of the seven allocations made during this report period, totaling \$1,278,000, were for projects or project components scheduled for implementation in Fiscal Year 2002-2003.
