Ref: **STIP AMENDMENT 04S-001**

The City of Santa Cruz has requested that this State Transportation Improvement Program (STIP) amendment be noticed at the September 2004 California Transportation Commission (Commission) meeting and be considered for approval in October 2004. This notice is an informational item allowing the Commission to review the proposal, comment and/or ask questions prior to taking formal action in October 2004 or later.

The City of Santa Cruz requests the Commission approve this amendment for AB 3090 Replacement. The City of Santa Cruz will use local funds (City General funds) to replace \$325,000 in Regional Improvement Program (RIP) funds for Construction in FY 2005-06 for the Front Street Rehabilitation project (PPNO 1168). The City of Santa Cruz proposes to advance the Front Street Rehabilitation project to FY 2004-05 and program a total of \$325,000 in RIP funds in FY 2005-06 for the Bay Drive Roadway Rehabilitation project (PPNO 1836) as the replacement project. The Santa Cruz County Regional Transportation Commission (SCCRTC) concurs with this request. This is a revenue neutral programming action.

## **RECOMMENDATION:**

The Department of Transportation (Department) recommends that the AB 3090 request be approved.

**BACKGROUND:**

The Commission's policy on AB 3090 encourages local agencies to use local funds to advance projects programmed in the STIP. The City of Santa Cruz proposes to accelerate the delivery of the construction phase of a local road rehabilitation project using local funds and to program a replacement project in the STIP, in accordance with the Commission's policy that gives preference to programming AB 3090 Replacement projects over AB 3090 direct reimbursement arrangements.

The City of Santa Cruz has determined that it is necessary to construct the Front Street Rehabilitation project sooner than anticipated due to other projects currently under construction along Front Street. The City will use local funds to advance the Front Street Rehabilitation project and proposes to program the Bay Drive Roadway Rehabilitation project (PPNO 1836) in FY 2005-06 for \$325,000 in CON, as a replacement project.

**RESOLUTION:**

Resolved, that the California Transportation Commission (Commission) revise the 2004 State Transportation Improvement Program (STIP) at the end of the 30-day notice period as follows:
